Advisory Board/School Council Minutes November 19, 2025

The LRPS Advisory Board/School Council met on November 19, 2025. Members present at the meeting were Mr. Jack McKee, Ms. Melissa Lee, Ms. Melanie Gladden and Dr. Rush.

Dr. Rush reported the following:

The teachers, students, and parents will get a QR code soon to take our annual School Climate Survey. The survey allows for ratings in the areas of academics, school safety, and student well-being. Ratings are given to schools on a level of 1-5, with 5 being the highest rating. The Climate survey window opens on December 1, 2025.

LRPS has just purchased a book vending machine. This was paid for with Scholastic money raised in our recent book fair. We will use some Title I money to fill the machine with books and continue to purchase books as the need arises. Location of where to place the book vending machine is yet to be determined.

Upcoming school events were discussed. Kindergarten will have their Thanksgiving lunch on Thursday, November 20. First grade's Christmas lunch is coming up on December 11. Our second PBIS party of the school year will be on December 12. Our Santa Drop will also be on December 12. The LRPS Chorus will perform at the Christmas Extravaganza on Robins AFB on December 13. PTO will provide Christmas lunch for the staff on December 18.

Meeting Adjourned.
