Dear Parent(s)/Legal Guardian(s):

At Mount Zion High School, we are very proud of our teachers and believe they are prepared to provide your child with a high-quality education for the upcoming school year. In compliance with the requirements of the Every Students Succeeds Act, Mount Zion High School would like to inform you that you may request information about the professional qualifications of your student's teacher(s) and/ or paraprofessional(s). The following information may be requested:

- Whether the teacher met the Georgia Professional Standards Commission requirements for certification for the grade level and subject area in which the teacher provides instruction;
- Whether the teacher is teaching under an emergency or other provisional status through which Georgia qualifications or certification criteria have been waived;
- What undergraduate or graduate degrees the teacher holds, including graduate certificates and additional degrees, and major(s) or area(s) of concentration; and
- Whether your child is provided services by paraprofessionals, and if so, their qualifications.

Please rest assured that our staff is committed to helping your child reach his or her maximum academic potential throughout their school career. That commitment includes making sure that all of our teachers and paraprofessionals are highly skilled and delivering quality instruction to your child.

If you wish to request information concerning your child's teacher and/or paraprofessional's qualifications, please contact **Connie Cook** at **770-834-6654** or email me at **connie.cook@carrollcountyschools.com**.
