ANNOUNCING THE REACH SCHOLARSHIP RECIPIENTS

Quitman County School System is pleased to announce the REACH Scholars of the class of 2025. REACH (Realizing Educational Achievement Can Happen) Georgia is a needs-based mentoring and scholarship program that offers students the assistance they need to complete their high school education and put them on the path of success in their postsecondary studies.

On Friday, December 16, 2022, Quitman County Schools hosted their annual REACH Georgia signing day. Seven new REACH Scholars were selected and committed to the REACH Georgia Program which requires dedication, motivation, and commitment.

Congratulations go out to the following REACH Scholarship recipients for 2022-2027:

Flint Crouthamel
De'Querius Gudes
LaDavion Johnson
Ja'Kaiden Jones
Kirsten Meredith
Javian Simmons
Digi Thomas

The 2022-2023 school year is the first year of a five-year commitment to fulfilling the program requirements of the REACH Georgia Scholarship. The mission of the REACH Georgia Foundation is to be the most effective champions for Georgia's children in need and unlock the full potential of our future workforce. The program provides scholars with the academic, social, and financial support needed to graduate from high school, gain access to college and achieve post-secondary success. Upon successful completion of the program, qualifying students earn a \$10,000 scholarship (\$2,500 max/year or \$1,250/semester) towards the cost of attendance at a HOPE-eligible postsecondary institution.
