

The Sleuth Scoop

What's up in...

Sixth grade math students made their 3% increase goal for the December Star test and will get to sit on exercise balls instead of chairs for the remainder of the year. If they make their goal in April they will get to ride a homemade hovercraft.

5th grade will be attending STARBASE January 8 - 12. STARBASE is a STEM (Science, Technology, Engineering, Mathematics) program at Maxwell AFB.

We are very appreciative of a donation of 15 Chick-fil-a cards to help with our celebrating birthdays of faculty and staff! This donation was sent by a former community member who follows Billingsley School on FB. Additional \$10 cards (36) are needed to be able to celebrate each faculty/staff member through the end of the school year.

IMPORTANT DATES:

Wednesday, January 10: Report Cards

Monday, January 15: No School – Martin Luther King Jr. Day

Tuesday, January 23: 100th Day of School...watch for details from teachers!

Friday, January 26: Career Day for grades K-12

Bragging on Our Bears...

Congratulations to Lady Bears Basketball! They won the Winter Challenge Basketball Tournament hosted by Billingsley.

Congratulations to Boys Varsity Basketball on their second-place finish in the tournament.

The following players were selected to the All-Tournament team: Megan Chandler, Amber Johnson, Alana Jones, Kaliyah McCary and Derrica Motley for the Lady Bears and Kyle Boice, Landon Jones, and Hudson Manning for the Bears. Congratulations to all and GO BEARS!

Mrs. Toni Galloway received recognition from Made Good for inspiring students in her classroom. She has been awarded funds to purchase supplies that will promote kindness objectives in the classroom. Way to go, Mrs. Galloway!

Did you know...

A group of bears is called a sleuth?

That is the reason the school newsletter is named "The Sleuth Scoop"!
