Dear SGMS Parent/Guardian,

Based on the attached information from DD4, **SGMS students will move to virtual learning starting tomorrow, Thursday, January 13, 2022** through Wednesday, January 19, 2022.

Students are scheduled to return on Thursday, January 20, 2022, unless they are under individual quarantine instructions.

Our first priority is the health and safety of students and staff. The second priority is to continue providing academic structure during this time.

**Teachers will provide online instruction through Zoom during their regularly scheduled classes.** Students are expected to attend each class and complete all assignments. The class schedule, Zoom link, and all assignments are posted in the teacher's Google Classroom.

Chromebooks and chargers are being sent home with all students today. If you are in need of a hotspot or need your hotspot reactivated, please contact the DD4 Technology Department at 843-563-5906.

Please contact SGMS by phone for further information or to pick up a Chromebook. (843-563-3171). Please call before coming in person so that we can have the items readily available.

Thank you,

Latorsha Bryant
