Principal's Note:

Attendance Matters!

When students arrive late or are picked up before dismissal, teaching and learning are disrupted !

It has been a wonderful start to the 2025-2026 school year. At OIS, we are committed to providing families with opportunities to connect, engage, and collaborate together. One of the most important ways parents can get involved is by participating in our in-person Parent-Teacher Conferences, scheduled for October 6th-8th. These conferences give families the opportunity to meet one-on-one with teachers, discuss their child's progress, and work together to set goals for the year ahead. Teachers will send notices home with information on how to sign up. As always, we are so fortunate and privileged to serve your child (ren). Thank you for your continued partnership!
