*Northwest Elementary School Parent and
Family Engagement Policy for Shared
Student Success*

2021-2022 School Year www School Plan for Shared Student Achievement

What is Title I?

Northwest Elementary is identified as a Title I school as part of the Every Student Succeeds Act (ESSA). Title 1 is designed to support State and local school reform efforts tied to the challenging State academic standards to improve teaching and learning for students. Title I programs must be based on effective means of improving student achievement and include strategies to support family engagement. All Title I schools must jointly develop with parents and family members a written engagement policy.

What is it?

This is a plan that describes how Northwest Elementary will provide opportunities to improve family engagement to support student learning. Northwest Elementary values the contributions and involvement of parents to establish an equal partnership for the common goal of improving student achievement. This plan describes the different ways that Northwest Elementary will support family engagement and how parents can help plan and participate in activities and events to promote student learning at school and at home.

How is it revised? Northwest Elementary School invited all parents to attend meetings to review and revise this parent and family engagement policy. Northwest Elementary School welcomes all parent input and comments at any time regarding the plan. All parent feedback received during the school year will be used to revise the plan for next year. The plan is posted on our school website for parents to view and post feedback throughout the year. We provide an annual survey to ask parents for their suggestions on the plan and the use of funds for family engagement. Parents and family members can also give feedback during several parent meetings and activities during the school year. Revision meetings are held in the mornings and the evenings.

Who is it for? All students participating in the Title I, Part A program, and their families, are encouraged and invited to fully participate in the opportunities described in this plan. Northwest Elementary will provide full opportunity for the participation of parents with limited English, parents with disabilities and parents of migratory children.

Where is it available? At the beginning of the year, the plan is provided to all students. Parents can receive a copy of the plan in the office and on the school website. A Title I information table is made available at each family event with a copy of all Title I information.
