Important Account Information

TERMS - PAYABLE IN FULL AS PER YOUR CORPORATE CONTRACT

Payments:

Your American Express Corporate Purchasing Card statement is payable in full per contract terms. Payments received after 12:00 noon may not be credited until the next day. Payments must be sent to the payment address shown on your statement and must include the remittance coupon from your statement. Payments must be made with a single draft or check drawn on a U.S. bank and payable in U.S. dollars, or with a negotiable instrument payable in U.S. dollars and clearable through the U.S. banking system, or through an electronic payment method payable in U.S. dollars and clearable through the U.S. banking system. Your account number must be included on all payments. If payment does not conform to these requirements, crediting may be delayed and additional charges may be imposed. If we accept payment made in a foreign currency, we will choose a conversion rate that is acceptable to us to convert your payment into U.S. dollars, unless a particular rate is required by law. Please do not send post-dated checks. They will be deposited upon receipt. Our acceptance of any payment marked with a restrictive legend will not operate as an accord and satisfaction without our express prior written approval.

Authorization for Electronic Debit:

We will process checks electronically, at first presentment and any representments, by transmitting the amount of the check, routing number, account number, and check serial number to your financial institution, unless the check is not processable electronically or a less costly process is available. By submitting a check for payment, you authorize us to initiate an electronic debit from your bank or asset account. When we process your check electronically, your payment may be debited to your bank or asset account as soon as the same day we receive your check, and you will not receive that cancelled check with your bank or asset account statement. If we cannot collect the funds electronically we may issue a draft against your bank or asset account for the amount of the check.

Authorization for Electronic Payments:

By using pay by computer, pay by phone or any other electronic payment service of ours, you will be authorizing us to initiate an electronic debit to the financial account you specify in the amount you request. Payments received after 5:00 pm MST may not be credited until the next day.

Transactions made in Foreign Currencies:

If you incur a charge in a foreign currency, it will be converted into U.S. dollars on the date it is processed by us or our agents. Unless a particular rate is required by applicable law, we will choose a conversion rate that is acceptable to us for that date. Currently, the conversion rate we use for a charge in a foreign currency is no greater than (a) the highest official conversion rate published by a government agency, or (b) the highest Interbank conversion rate identified by us from customary banking sources, on the conversion date or the prior business day, in each instance increased by 2.5%. This conversion rate may differ from rates in effect on the date of your charge. Charges converted by establishments (such as airlines) will be billed at the rates such establishments use.
