

7th Grade Newsletter

Week of October 26th, 2026

Math Mrs. Jarrett mjarrett@rappahannockschools.us Block 1: We are working on our unit on proportional relationships and slope of a line. The students are learning to investigate and analyze proportional relationships using verbal descriptions, tables, equations in $y = mx$ form, and graphs. Blocks 2 & 3: We are working on our unit on Two-step equations. The students will learn to write and solve 2 step linear equations with one variable. Please do not hesitate to reach out with any questions, comments or concerns.	English Miss Rowell mrowell@rappahannockschools.us Students will begin to work on Unit 3. We are continuing our second novel, <i>Freak the Mighty</i>. Students will be reviewing parts of sentences and common grammar mistakes.
Civics Mr. Hummill mhummill@rappahannockschools.us We will have a test on our tree folder Monday the 19th. We will then begin our unit on the state government.	Science Mrs. McCabe emccabe@rappahannockschools.us We are wrapping up our unit on cell division and levels of organization. We will have a test this week. Questions or concerns? Please feel free to reach out with an email.
