TES Principal Report May 2022

Students:

ISAT & IRI: This month our focus has been on our state testing. Students in grades 3-6 have completed the math, ELA, and science Idaho Standards Achievement Test (ISAT). The ISAT is composed of reading, language usage, and mathematics tests for grades 3-10 and science tests for grades 5, 7, and 10. Multiple-choice questions are used to assess what a student knows and is expected to do on the Idaho content standards. These questions are used to assess a variety of skill levels, from short-term recall of facts to problem solving. They worked hard during their assessments.

Grades K-3 are in the process of completing their Idaho Reading Indicator (IRI). This is the assessment that measures fluency. Our staff uses the IStation program throughout the year to progress monitor student progress and use the information to generate plans for each student. There are more components embedded, like phonemic awareness, spelling, vocabulary, and comprehension.

First Book Grant: Mrs. Hazeltine was awarded \$824 to purchase books through the First Book Marketplace for TES families. The books are given to students the last day of school with the intent to expand their reading access at home.

STCU Classroom Supply Grant: Mrs. Foote was awarded \$100 from STCU Classroom Supply Grant.

Music Festival: Grades five and six are participating in the District II music festival in Lewiston on May 4th. They will have a choir and band performance. After the performances they participate in a clinic with the participating professionals.

TES Principal Report March 2022

Students:

Dr. Fisher Visit: Dr. Fisher visited grades k-6 to talk about healthy dental habits. He entertained them with flossing songs, and techniques in brushing their teeth. He gave each student a care package that included new toothbrushes, floss, and other goodies.

Read Across America: TES participated in National Read Across America-Dr. Seuss Day. We had a kick off assembly where Cat in the Hat made an appearance and they announced their class goals. Many of the goals include reading a specific number of books, word count, and a scavenger hunt. Six grade became hosts in the library and spent time reading with the younger students and helping them with the scavenger hunt.

Silverwood's Ticket to Read: Students have been invited to participate in the Silverwood Ticket to Read program. They keep a log of ten hours of outside reading and then earn a ticket to Silverwood.

Engagement Surveys: Students, staff, and parents have been given the engagement surveys from the State Department of Education. We will analyze the feedback for the upcoming year when that information becomes available to us.

Safety Drills: Fire drill

Staff:

Special Education : Special Education team met with the representatives for Medicaid billing to learn about their change in software and reimbursement processes.

TES Principal Report February 2022

Students:

Souper Bowl: The food drive was a success! Students placed donations in bins with their Super Bowl pick for who they would like to see win, the Rams or the Buccaneers. The food is split between the local Troy Food Bank and the Senior center.

100th Day: Our big event this month was celebrating 100 days on Feb 9th. All students celebrated in different ways. Activities included 100 minutes of reading, 100 movements (exercises), and 100th day song.

Kindness Campaign: TES took kindness to a new level this month. There was a whole school focus on random acts of kindness. Notes were left in cubbies, acts were highlighted in our announcements, color dress up days that represent kindness, challenges were given each day, books were read, and most of all students demonstrated random acts of kindness.

Safety Drills: Fire drill (All students were in transition.)

Staff:

Data Wall:

Staff analyzed our mid year data and updated actions plans to reflect progress. Overall, students have shown growth in the areas of ELA and math. Staff revisited the need writing component and resources to use in their classes. Staff "crosswalked" their Galileo data with their calendars to determine what needed to be reviewed, retaught or enriched and adjust their instruction and supplement where needed before ISAT testing.

Special Education General Supervision File Review (GSFR):

Mrs. Cox, Mrs. Foote and Mrs. Vogt submitted a file to the state department for review and have been notified our files are 100% in compliance.

Upcoming Events:

Conferences: March 8th & 9th

Goals:

IRI SMART Goal: K-3 will meet 80% proficient expectation on the spring 2022 IRI as measured by IStation or a minimum of 5% growth.

TES Principal Report January 2022

Students:

Holiday Concert & Winter Festival

TES had a full house on for our annual holiday concert. Each class had a time slot for performing. Parents watched and when they were done, we had a cleaning crew ready to disinfect for the next group. The Troy Volunteer Fire Department escorted Santa to visit grades k-2 and even gave them fire fighter hats! Sixth graders lead the other students in a variety of activities throughout the afternoon during our Winter Festival.

"Souper Bowl"

TES will be collecting donations of food for our annual food drive. We are going to donate the items to the senior center at the end of the month.

Safety Drills: Fire drill & lock down

TES Principal Report December 2021

Students:

End of Second Quarter:

Second quarter is coming to an end! Students will be taking their mid-year benchmark assessments in January and staff will take time to analyze the data. This will help us inform our instruction for the third quarter and see where we are at with regards to our annual SMART goals.

Winter Festival:

As a part of a service project, sixth graders plan activities for grades kindergarten through sixth grade. This is a collaborative effort where students experience arts, crafts, movement, stories, and fun games throughout the afternoon. Santa is planning on visiting this year as well. We have a tentative plan for a winter concert. We are planning for small groups to rotate and perform throughout the morning of the 17th.

TES Principal Report November 2021

Students:

Conferences:

We are happy to share our conference attendance was 96% for this first quarter.

Veterans Day:

Mrs. Starks, who also serves in the National Guard, and her second graders marched with the THS choir and band in the Veterans' Day parade downtown. They carried flags and banners made by the other students to thank our community veterans for their service.

K-2 Pumpkin Math Day:

Students harvested the pumpkins and gourds from our garden to use in their Pumpkin Math Day. They read stories, wrote stories, measured, weighed, and created pumpkin art with their pumpkins. The next garden project will be planting bulbs for the spring.

TES Principal Report October 2021

Students:

Assembly:

TES students participated in our traditional end of the month assembly. Sixth graders performed using their chimes, Trojan All Stars were announced and sixth graders gave their "shout outs" of all the exciting things happening during the month. Officer Hazelbaker was here to present an Outstanding Citizen certificate to Alan Trautman for going above and beyond when he saw an unaccompanied toddler downtown Troy, and brought him to a local business to get help from an adult to find the parents.

Conferences & Reading Under the Stars:

Teachers are welcoming families in for evening conferences October 12th and 13th. This is in conjunction with the Title One family engagement event, Reading Under the Stars. While parents conference, students spend time in the Title One room reading with Mrs. Hazeltine.

Literacy Plans:

Idaho Reading Indicator (IRI) has been completed for grades k-3. Those students who had a two or three on the fall IRI qualified for a "reading plan". Together, with parent input, individual plans are created and started. Their progress is monitored monthly.

Targeted Tutoring:

Students who need extra assistance with mastering a standard qualify for additional instruction through our targeted tutoring Wednesdays after school. Mrs. Renfrow and Ms. Starks

TES Principal Report September 2021

Students:

Back to School Night:

Troy Elementary hosted our annual *Back to School Night Meet & Greet*. Families were able to meet and greet the staff, find their desks and cubbies, while dropping off their school supplies. Overall, we had an amazing turn out of 87% of our students attending. Information was presented about staff, procedures, goals, curriculum, our standing in the state, School-wide Title, communications, and our breakfast/lunch programs.

Classrooms:

Students started their year with an all-school assembly and gathered around the main flagpole outside for the Pledge of Allegiance. Students have been practicing their safety drills, procedures, learning new routines, and expectations. Our PBIS focus this month will be "orderly and safe".

Band:

Students will begin band in grades 5-6 starting Sept. 20th.

Assessments:

Students and staff have started the first of the year assessments. The staff will analyze the data, and create our SMART goals during the month of September. From this data, "reading plans" that tie into our Literacy Plan will be developed with parent input.

Breakfast in the Classroom:

Students are enjoying their breakfast in the classroom each morning!

Title I:

As a part of our Title I requirements, policy 2420-2420p, we gather data from our families with regards to their experience with the Title I program and gather input on different supports they may need at home.

The overall feedback received was very positive. There were twenty five respondents. Parents asked to continue the *We Both Read* books, reading events which are typically in conjunction with conferences, and Reteach groups. Comments included how thankful parents are for the extra support, reteach model ensures all students are learning the standards. The input also supported the process of sending home monthly progress reports.

August 2021

Dear Families,

I hope everyone is enjoying their summer break with new adventures and some relaxation time! Our **first day of class is Wednesday, August 25th from 8:15am-3:07pm**. Know we are continuing an all hands on deck, team approach to making sure we provide a safe environment for our school community. We are continually researching and following guidelines to keep us all safe and well. You can find a list of the specifics on our website at www.sd287.k12.id.us.

At home support: We ask for your help in teaching your children about social distancing and hand washing. We will teach and reinforce those skills as well.

Registration forms can be completed online this year. Let Senica (scannon@troysd287.org) know if you need your login information. Patrons will find our suggested supply list, calendar, handbook, and immunization requirements on our website. Please let your child's teacher or the office know if they need supplies from our suggested supply list.

Students arrive at 8:15 and go directly to their designated classroom door at the end of the building or behind TES. Doors will be labeled and we will have adults directing students.

Bus Riders: Busses will be arriving at the school at 8:15 and students will go directly to their designated classroom doors. If your child is going to ride the bus, please call Jake Blazzard at 208-835-3791 to confirm your pick up and drop off times.

Pick Up/Drop Off: Please drop your student off at 8:15 in the front of the building. They will proceed to their designated classroom door. For pick up, please show up at dismissal time at 3:07. The students will be escorted outside to the front sidewalk to meet families. Cars can park at the high school or circle the parking lot. We must keep the traffic lane clear and moving-no stopping and forming lines in the roundabout.

Walkers: Please arrive at 8:15 and go directly to your designated classroom door.

Breakfast: Our students will have access to both free breakfast and lunch each day. Breakfast will be delivered to their classrooms at 8:15.

Water Bottles: Please send your child with a labeled water bottle to school.

Back to School Meet & Greet: Tuesday, August 24th from 4:30-5:30, classrooms will be open for all families to stop in, meet the staff, and drop off supplies. Please enter through the designated exterior doors. Exterior doors will be labeled with your child's grade. This will help students know where to go on their first day before the bell.

I am very excited for this next year and I look forward to seeing all of you again soon! If you have any questions, please feel free to call or email me.

Sincerely,

Klaire Vogt
