Important News

Daily Reading: Each 6th grade student is required to read a book over 150 pages and complete a project each month. A list of project ideas has been sent home and given to the students to keep here at school to choose from each month. Projects are due the last day of every month.

No class time is scheduled for these projects. All work is expected to be done outside of the class day. Late work will be accepted, but for reduced credit. I check in with students every week to track their progress and provide support in planning and supplies as needed.

Nightly planners: Please ask your student to see their planner each evening. This is an easy way for you to stay informed on what is going on day to day. I look at them each morning- you can easily send a note my way and I will definitely see it.

If you ever need to contact me or would like to visit about any concerns or classroom happenings, please don't wait for conference time. I am always available. You can call (208)835-4261 or email at ctibbals@troysd287.org.
