29. Amount of treasurer's bond. Extending from 10 (Good for one term of office.) FINANCIAL REPORT FOR THE YEAR ENDING JULY 14, 1913. READ THIS.—If the following report is correct, the totals of receipts and expenditures will balance. Care should be taken to enter each amount under its proper heading, and to enter no amount twice. If money other than the funds of the district is advanced by any one in paying teacher or for other expenses, it should be included in the item "Received from Loans." It is really money borrowed, and should also be included in the "Indebtedness" (item 16 above). Do not foot up the columns of like unless they actually add up alike.													
RECEIPTS,								EX	PENDITUR	ES.

READ THESE NOTES. 1. If the district is fractional, write the names of the children in each township separately under the name of the township, beginning with that township in which the schoolhouse or site is situated. A separate statement must be made to the clarks of the several townships in which the district is in part situated, giving the number of children five years of age and under twenty years residing in that part of the district typing within their respective townships. 2. If there is not space on this page sufficient to contain the names of all the children in the district, write the remainder upon ordinary foolesap paper, properly ruled, and stirctly to this sheet. Do not use additional blants, resident lune 1. 3. The ages of the children must be given as they are on June 1, 1913. If a child removes from the district during the fifteen days preceding June 1, he should be enrolled in the district lune in the content of the
