Character Trait of the Month

For the month of February our character trait has been "BE KIND".

Each day we have been reminded of ways we can BE KIND.

We can...

- Compliment others
- Help others when we see a need
- Show forgiveness
- Include others

Music Moment

In Art this month students learned about Roman Mosaics and created a Sun Mosaic. In Music, a special guest Evangelist Rev. Ken Lynch came and played the violin and bandurria for the students. Rev. Lynch's violin is 9 years older than the USA, the children really liked this fun fact. They learned that the bandurria is an instrument from the Philippines.

Library Life

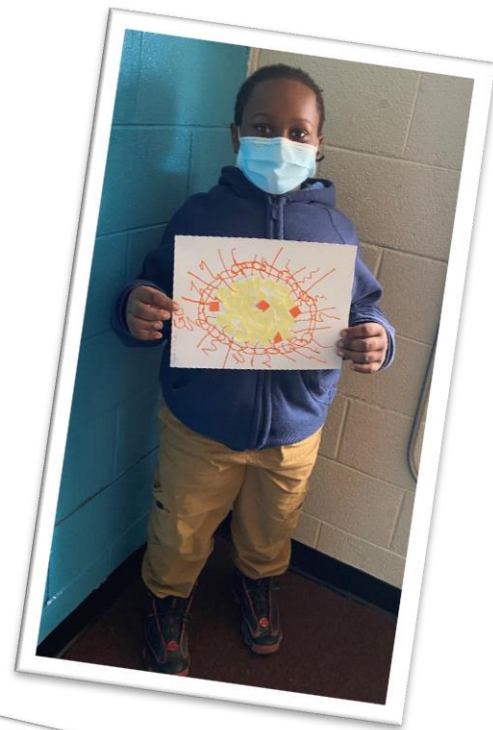

Happy March!! Another great month to read and learn!

As usual, we still have lots of new books in the library to read this year. Our digital library is housed in **Clever**. Look for links to **MackinVIA** and **MAGNOLIA**. We have also added **World Book Online** [Super Home Page \(worldbookonline.com\)](http://SuperHomePage.worldbookonline.com) with a password and username **Lockard1**. **Epic** is also available during school hours with the class code **lxj7690**.

We also had a great reading fair! Wow! These students sure do know how to do some great boards! So proud of them!

Next week is **Read Across America Week**. Look for the flier to tell you about all the fun dress-up days coming. Also, students will receive a free **RIF** book and bookmark next week.

As always, happy, happy reading!

Mason's Memo

Be a problem solver! Be an Upstander!

One way to be a problem solver is to help someone who is being mistreated or bullied by others. One lesson that I like to use is called, "Be an Upstander" and it gives four ways to help someone who is being mistreated.

1. Be a Buddy - just walk up and stand by the person being mistreated. This will show that he has someone on his side.
2. Interrupt - just walk up and ask the person being mistreated if he wants to go shoot basketball or go to the other end of the lunch table.
3. Speak Out - Tell the person who is doing the mistreating that it is not right and to stop. Others will probably notice and come stand with you.
4. Tell Someone - tell an adult close by what is happening and let him/her handle the problem.

These are quick and easy steps to help solve a problem and to be an Upstander.
