FISCAL POLICIES AND PROCEDURES

XIX. Educable Child

Per State Board Policy 7201, the MDE/OSE is directed to provide oversight through the Individuals with Disabilities Education Act (IDEA) and State Statute in the placement and funding of students with disabilities in private school/facilities.

All private schools/facilities participating in the Educable Child Program are accredited by a state or regional accrediting agency.

State appropriated funds are used to pay the total cost for the required placement as defined by the State Legislature and as State funds are available.

Students who participate in the Educable Child Program fall into one of the four placement categories: School District; Department of Human Services; Parent or Parent with Medicaid.

All placement applications are reviewed and approved for payment by MDE/OSE.
