Diagnostic assessments for math are completed using the iReady platform, which assesses students' levels in all mathematical areas.

# Burns High School: Grades 9-12

Curriculum: Big Ideas Learning

<https://bigideaslearning.com/programs/high-school-math-and-you>

Concepts & Connections, part of the Math & YOU series, is a research-based program designed to empower teachers and build student ownership through the lens of STEM, careers, and real-life data contexts. Students' eyes are opened to a world of STEM and the possibilities for their futures as they become college and career ready. © 2024 Big Ideas Learning All Rights Reserved
