

Vidalia City School District

Parent and Family Engagement Policy

What is Family Engagement?

Family Engagement means the participation of parents and family members in regular, two-way, and meaningful communication involving student academic learning and other school activities, including ensuring:

- (A) That parents play an integral role in assisting their child's learning.
- (B) That parents are encouraged to be actively involved in their child's education.
- (C) That parents are full partners in their child's education and are included, as appropriate, in decision-making and on advisory committees to assist in the education of their child.
- (D) The carrying out of other activities, such as those described in Section 1116 of the Every Student Succeeds Act (ESSA).

About the Parent and Family Engagement Policy

In support of strengthening student academic achievement, Vidalia City Schools (VCS) has developed this parent and family engagement policy that establishes the district's expectations and objectives for meaningful family engagement and guides the strategies and resources that strengthen school and parent partnerships in the district's Title I schools. This plan will describe VCS's commitment to engage families in the education of their children and to build the capacity in its Title I schools to implement family engagement strategies and activities designed to achieve the district and student academic achievement goals.

When schools, families, and communities work together to support learning, children tend to do better in school, stay in school longer and enjoy school more. Title I, Part A provides for substantive family engagement at every level of the program, such as in the development and implementation of the district and school plan, and in carrying out the district and school improvement provisions. Section 1116 of ESSA contains the primary Title I, Part A requirements for schools and school systems to involve parents and family members in their children's education. VCS will work with its Title I schools to ensure that the required school-level parent and family engagement policies meet the requirements of federal law and each include, as a component, a school-parent compact.

Jointly Developed

During the annual district and school stakeholder meetings in May 2023, all parents were invited to participate and provide suggestions and ideas to improve this district parent and family engagement policy for the 2023-2024 school year. The district emailed parents information about this meeting and posted an announcement on the school district website. During this meeting, parents also reviewed and discussed the Consolidated LEA Improvement Plan (CLIP) and the School Improvement Plan. Additionally, each Title I school used its School Governance Team to review the district parent and family engagement policy before the end of the 2022-2023 school year.

Upon final revision, the district parent and family engagement policy was incorporated into the CLIP which was submitted to the state. Parents are welcome to submit comments and feedback regarding the policy at any time on the school district website or by submitting written comments to your child's school. All feedback received by June 14, 2023 was considered for revisions to this policy.

The district's plan to distribute this policy is to post it on district and school websites and in parent resource centers, disseminate it during the annual Title I school meetings in the fall, and email the link to all parents in a format and language they can understand.

Communications

Vidalia City Schools will communicate with all families and the community on a regular basis regarding school wide events and activities, through phone and text messages, emails, social media, school newsletters, and flyers. The district and school will share information in English and other languages to the extent possible through written communications, meetings, conferences, and family engagement events in order for families to understand the school's academic standards and assessments as well as ways parents can monitor their child's progress.

Strengthening Our School

This year, the district Family Engagement Coordinator (FEC) will provide technical assistance and support to all Title I schools to ensure family engagement requirements are being satisfied and that family engagement strategies and activities are being implemented. Title I schools will receive notifications and resources from the district and the FEC to help them improve and strengthen family engagement. In addition to frequent communication and school visits, the district and the FEC will hold monthly meetings and trainings with its Title I schools' principals to review family engagement plans and activities.

Reservation of Funds

Vidalia City Schools will reserve 1 percent from the total amount of Title I funds it receives in 2023-2024 to carry out the parent and family engagement requirements listed in this policy and as described in federal law. Furthermore, VCS will distribute 90 percent of the amount reserved to Title I schools to support their local-level family engagement programs and activities. The district will provide clear guidance and communication to assist each Title I school in developing an adequate family engagement budget that addresses their needs assessment and parent recommendations.

Each Title I school held stakeholder meetings in May for parents to provide suggestions on how these family engagement funds could be used in the upcoming year at the district and school-level. In addition, surveys were emailed and posted on our websites so that parents could provide feedback about school improvement and parent engagement. Comments, written suggestions, and minutes from these meetings and surveys were reviewed by the district to determine areas of need for the upcoming school year and consider changes to the family engagement budget. If you have suggestions, please contact the Federal Programs Director in the district office.

Opportunities for Meaningful Parent Consultation

Input and suggestions from parents, family members, and community partners are an essential component of the district and school improvement plans that are developed each year. All parents of students eligible to receive Title I services are invited to attend two meeting opportunities described in this section to share their ideas and suggestions to help the district, schools, and students to reach our student academic achievement goals.

Annual District Meeting ~ April, 2024

All parents are welcome to hear the latest updates from the Vidalia City School district as well as review and provide input into the district parent and family engagement policy and the Consolidated LEA Improvement Plan for the 2023-2024 school year. Notices regarding this meeting will be emailed to all parents in advance of the meeting. The district will also communicate information regarding this meeting on the school district website.

School Improvement Forums ~ April-May, 2024

Each Title I school will host a forum for parents and family members to participate in roundtable discussions to review the schoolwide plan, the school's parent and family engagement policies as well as provide input on the family engagement budget and topics for school staff training. Each Title I school will send invitations home as well as email and text parents to notify them about the date and time of the forum. Information regarding the School Improvement Forum will also be made available on the school websites.

Input on the use of Title I funds to support family engagement programs may also be provided through the annual district survey. The survey will contain questions related to the family engagement budget and school staff training for parents to provide their comments.

Annual Title I Meeting ~ August-September, 2023

At the beginning of the school year, all Title I schools will host a meeting to inform all parents of the Title I requirements and the school's participation in and parent's rights under Title I.

School-Parent Compacts

As part of this plan, all Title I schools, along with our families will jointly develop school-parent compacts in order to build and develop a partnership to help our students the challenging state academic standards. These compacts serve as agreements that parents, teachers, and students will work together to make sure all students reach grade level standards by following and accomplishing goals set forth by parents, teachers, and students. The compacts will be revised annually, distributed to all families, and reviewed at parent/teacher conferences.

Building Capacity

Vidalia City Schools will build partnerships between its Title I Schools, families, and community with the goal of developing mutual support for student achievement. To develop capacity for this support, VCS will implement a variety of family and community engagement initiatives. The FEC meets with the family engagement team and building administrators to plan events throughout the school year that focus on training parents on how to help their child learn at home. This initiative supports teachers and families as they partner to address academic goals through at-home learning activities.

Of Parents - Vidalia City Schools will provide families with information about the overall Title I program and its requirements. The district works with its Title I schools to help families understand academic expectations for student learning and progress. Specific information related to student learning, the State's challenging academic standards, and local and state assessments—including alternative assessments, will also be provided. The district also offers assistance to parents in understanding how to access the parent portal and digital learning resources. Notifications about these opportunities will be posted on the district website and shared through school messaging systems, newsletters, and social media postings.

The district and school websites contain resources and materials such as parent guides, study guides, practice assessments, and other materials for at-home learning. Hard copies of these materials are also available at all Title I schools, including copies in Spanish.

Vidalia City Schools will coordinate and integrate the district's family engagement programs under this part with parent and family engagement strategies, to the extent feasible and appropriate, with other relevant Federal, State, and local laws and programs such as, the local preschool program and other federal and state funded preschool programs in the district. The district will invite faculty and staff from those programs to attend planning meetings focused on family engagement activities. In the spring, schools will host Kindergarten sign-up days, Middle and High School Transition Nights, and College and Career activities so parents may receive information to help prepare them and their children for the next life stage.

Of School Staff - Vidalia City Schools will conduct four trainings during the school year for principals to learn and discuss strategies to increase family engagement, improve school-family communication, and build ties with parents and the community. These trainings will be redelivered to the faculty and staff of Title I schools. Vidalia City Schools Family Engagement Coordinator will work with school leaders to train the entire school staff to engage parents in their child's learning. The purpose of staff training is to coordinate the sustainability and growth of family engagement initiatives in the district.

To ensure that information related to district, school, parent programs, and engagement activities is available to all parents, each Title I school is required to send home and post online information for parents and family members in an understandable language and uniform format. At the beginning of the year, school staff will be trained on parent notifications and resources to be sent home in parents' preferred language, where applicable, and providing interpreters at parent events and family engagement meetings. Information posted on the district website will be translated to the extent practicable. The district will also utilize school phone call systems, district and school websites, local news media, and social media to post information for parents.

Parent and Family Engagement Evaluation

Each year, VCS will conduct an evaluation of the content and effectiveness of this parent and family engagement policy and the family engagement activities to improve the academic quality of the Title I schools through an annual parent survey and the School Improvement Forums.

Beginning in April, each Title I school will send home a survey and email a link to the survey for parents to provide valuable feedback regarding the parent and family engagement activities and programs. These surveys will also be posted on the district and school

websites for parents to complete. In addition to the annual survey, each Title I school will also use the School Improvement Forum to facilitate group discussions to discuss the needs parents of children eligible to receive Title I services to design strategies for more effective family engagement.

VCS will use the findings from the school forums and the survey results to design strategies to improve effective family engagement, to remove possible barriers to parent participation, and to revise its parent and family engagement policies.

Accessibility

In carrying out the parent and family engagement requirements established by Section 1116 of the ESSA, the district family engagement coordinator will communicate and collaborate with the Office for Student Support Services to ensure full opportunities for participation of parents with limited English proficiency, parents with disabilities, and parents of migratory children including providing information and school reports in a language parents can understand.

Adoption

This districtwide parent and family engagement policy has been developed jointly and agreed upon with parents and family members of children participating in Title I, Part A programs as evidenced by the collaboration of parents, school, and district personnel at the annual State of the District meeting.

This policy was adopted by Vidalia City Schools on June 14, 2023 and will be in effect for the 2022-2023 academic school year. The school district will distribute this policy in multiple ways to all parents of participating Title I, Part A children before or during the first week of fall semester.
