Dear Parent,

Transporting your children is a great responsibility for all of us, especially for the drivers who must pilot the buses through traffic and all kinds of weather. Our drivers must devote all of their skills and energy to driving. They must give their full attention to the traffic and are unable to act as disciplinarians for the children.

Bus rules have been adopted by the school district and are printed in each campus handbook. It explains in some detail what is expected of the children who ride our buses and gives you guidelines on what you, as a parent, can expect of us. All of these rules are designed to assure the safety of the riders.

PLEASE discuss these rules with your child and impress upon him/her the need for full cooperation on the school bus. Remind your child that any infraction of these rules could result in suspension of bus riding privileges which could cause great inconvenience for the child and parent.

Please complete all the information in the box below and return this sheet with the registration packet so we can have
