

Dear Parents and Guardians,

Did you know you can view your child's school library account right from home? Destiny now has parent access accounts! By creating a parent access account, you can see what books your child has checked out, help them keep track of due dates, and even explore what's available in our collection.

Having parent access is a great way to stay informed about your child's reading choices and to be part of their library experience. You'll also have the opportunity to guide them in selecting books that align with your family's preferences.

If you'd like to set up your account or need help getting started, please contact the library– we're always happy to help!

Thank you for supporting your child's love of reading and our school's library program.

Warmly,

A handwritten signature in black ink that reads "Chelsea Fuller". The signature is fluid and cursive, with a long horizontal flourish at the end.

Access a student's library information

If your email address is connected to a student in Destiny Library Manager as a contact for the Additional User Type feature, you can access their library information. Your district determines which features are available.

To log in as a contact:

1. Go to the URL: <https://destinyverification.follettsoftware.com/willow/district/destiny-XTZF-Z2PL>
2. Type your email address.

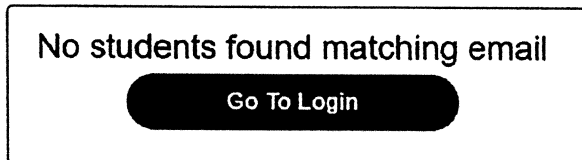

First, enter your email address
Email must be connected to a NVUSD student

Get Access Code

3. Click **Get Access Code**.

Note: If the email address either does not match what is in Destiny or is not connected to a student in the district, you will see the following message:

No students found matching email

Go To Login

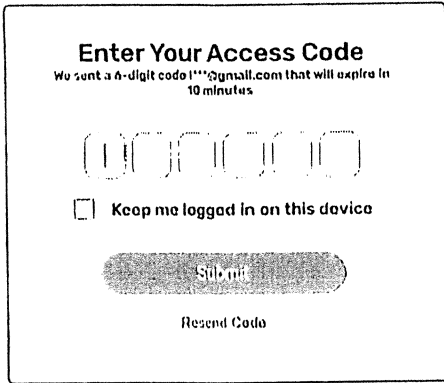

4. Go to your email account to retrieve the access code.

Notes:

- The code expires in 10 minutes. If it expires, you can click **Resend Code** from the Get Access Code page.
- If you enter an invalid access code, you will see an Incorrect Access Code message.
- The email is sent from no-reply@follettsoftware.com with the subject, "Additional User Type Access Code."
- If the code is sent more than once, after the second time, the user will need to refresh the screen, and then reenter their email address.

5. From the Enter Your Access Code page:

- a. Type your access code.
- b. Optionally, to stay logged in from your current browser, select **Keep me logged in on this device**. If you select this option, you will stay logged in for 60 days or until you log out. If you don't select this option, you will need to log in with an access code each time.

To navigate Additional User Type features:

Once you are logged in, you can perform a number of tasks based on your contact status.

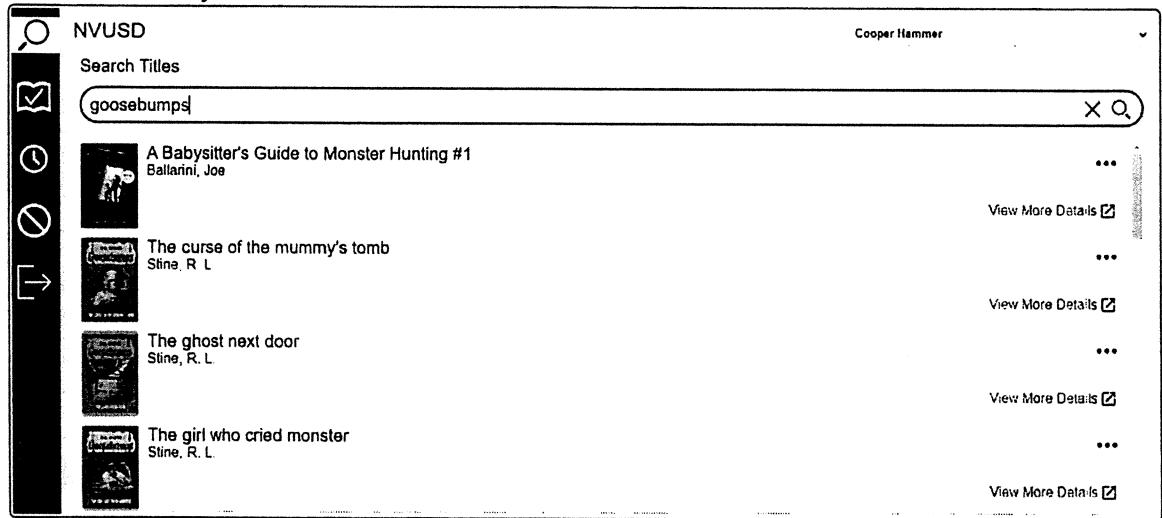

Notes:

- The options you see depend on how the feature is set up for your district.
- The Primary Contact designated for this feature has full access to any enabled options, including blocking and unblocking titles. A Secondary Contact has view-only access to any enabled options.
- Blocked titles for a patron will remain blocked across school years and as the patron moves to new sites within a district, unless those titles are unblocked by the patron's Primary Contact.

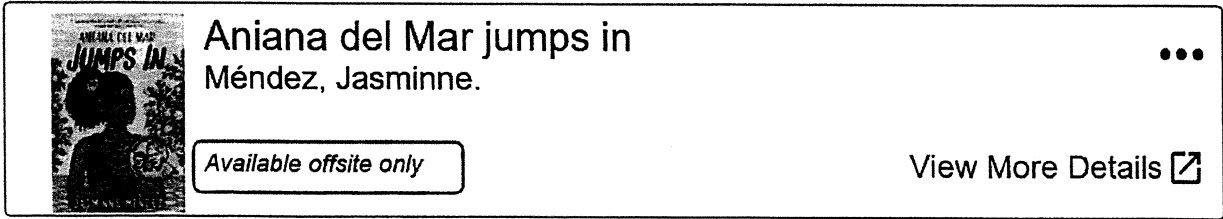

The user's name associated with your email address appears in the top-right corner. If you have more than one student in the district, a drop-down appears. To view a different user, select their name from the drop-down.

Use any of the following options:

- **Search:** Search by title, author, or subject to find materials. When search results appear, you can click ... to block a title from being checked out or **View More Details** to see more information on a title as a guest user via Destiny Discover.

Note: If a patron has access to interlibrary loans, and a title is only available offsite, a note states it is *Available offsite only*.

- **Checkouts:** View the current checkouts. To see more information about a title as a guest user via Destiny Discover, click **View More Details**.
