### JACOBS APPOINTED INTERIM SUPERINTENDENT OF WILLIAMSBURG COUNTY SCHOOL DISTRICT

The South Carolina Department of Education has officially appointed Dr. Angela Jacobs as the Interim Superintendent of the Williamsburg County School District. Dr. Jacobs has extensive experience in educational leadership, having held various roles that demonstrate her dedication to student achievement, teacher support, and community engagement. Before this appointment, she served as Lead District Transformation at the SCDE. She has also served as the Interim Administrator of Allendale County Schools, appointed by the SCDE, which further demonstrates her strong track record in district-level leadership. Dr. Jacobs earned degrees in Early Childhood Education from South Carolina State University, a master's degree in K-12 Leadership and Administration from Cambridge College, and a Doctor of Philosophy in Christian Leadership from Restoration Bible Institute.

Dr. Kelvin Wymbs previously served the Williamsburg School District as Superintendent from 2023-2025. Dr. Wymbs effectively guided the district through a significant growth period. He successfully strengthened academic programs, stabilized operations, and set the foundation for the transition back to local governance. Williamsburg County School District is poised for continual progress and transformation under Dr. Jacobs' leadership.

*"I am grateful for the leadership of Dr. Kelvin Wymbs. I am honored to have the opportunity to serve as Interim Superintendent of Williamsburg County School District," said Dr. Jacobs. "I believe that together we will remain focused on academic excellence in a thriving environment, promote the well-being of every stakeholder, and use data for decision making."*

*"We are deeply grateful for Dr. Wymbs' leadership and the steady progress made during his time with us. As we look to the future, this superintendent search represents an exciting opportunity to continue building on our momentum and work hand-in-hand with our community to support every student's success." Furthermore, we welcome Dr. Angela Jacobs to our educational community. She comes to us being described as a dedicated and proven leader who understands the needs of our schools and the priorities of our community," said Marva Cannon, Chair of the WCS D Board of Trustees. "We are confident*

*in her ability to maintain continuity and drive the district forward during his transitional period."*

The Williamsburg County School District Board of Trustees will begin the search for a permanent superintendent in the coming weeks.
