

DeKalb County Coordinated School Health

Dear Parent or Guardian,

Throughout the school year we will be providing several free health screenings for the students of DeKalb County Schools. We routinely screen a variety of students in the appropriate grade levels. We also screen transfer students, any student needing a screening for evaluation purposes, or any student referred by a teacher. This information is shared only on a need to know basis.

Students will be screened for the following throughout the school year where applicable.

▪Vision ▪Hearing ▪Blood Pressure ▪Height/Weight (through P.E.)

If we screen your child and find any alterations from a normal screening we will contact you concerning this manner. There are no charges for these services. **IF YOU DO NOT WANT YOUR CHILD TO RECEIVE FREE HEALTH SCREENINGS, PLEASE WRITE A NOTE STATING YOU DO NOT WANT YOUR CHILD SCREENED AND RETURN TO THE SCHOOL NURSE.**

Please contact the Coordinated School Health office if you have any questions or concerns.

Thank you,

Elise Driver
