Dear Parent/Guardian,

It has been a very fast year and I hope our bulldogs are a lot smarter than they were in August! I pray everyone has a great and safe summer doing all the things kids love to do such as: playing ball, swimming, fishing and growing! It's hard to believe how much the students grow each summer. I would like to remind parents of our school dress code policy before the time comes to purchase clothes for next school year. We are proud of our students as they try to dress to standard, however there are times when dress code is not met. Typically, this is shorts being too short or large holes above the knee in jeans. Listed below is the Hodgen dress code from the handbook. If you have any questions, please give us a call.

Thank you,  
Courtney Altstatt
