FINANCIAL REPORT FOR THE YEAR ENDING JULY 13, 1914.

THIS.—If the following report is correct, the totals of receipts and expenditures will balance. Care should be taken to enter each amount under its proper heading, and to enter no amount twice. If money other than of the district is advanced by any one in paying teacher or for other expenses, it should be included in the item 7 Receipts "Received from Loan." It is really money borrowed, and should also be included in the "Indebtedness" item. Do not foot up the columns alike unless they actually add up alike.
