## DISTRICT BOARD POLICY & LABOR AGREEMENTS

Every administrator is expected to be familiar with Midland Public Schools' District Board Policy and Labor Agreements in order to be aware of policies and operational practices under which the district operates. The Board policies and labor agreements are available on the District website [www.midlandps.org](http://www.midlandps.org).

## AGREEMENT BETWEEN THE BOARD OF EDUCATION OF THE MIDLAND PUBLIC SCHOOLS AND THE MIDLAND CITY EDUCATION ASSOCIATION

It is essential that all administrators thoroughly understand this Agreement. Although the vast majority of the relationships between administrators and teachers are professional in nature and do not remotely involve citing the Agreement, there are times when understanding this Agreement is essential.

Articles most likely to involve daily operations are listed below, along with the resource person to contact if necessary:

Article V	Grievances	Director of Human Resources
Article VIII	Professional Development	Associate Superintendent of Curriculum/Staff Dev.
Article X	Absences Other Than Leaves	Director of Human Resources
Article XI	Teacher Evaluation	Director of Human Resources
Article XIII	Discipline of Teachers	Director of Human Resources
Article XVII	Vacancies and Transfers	Director of Human Resources
Article XIX	Substitute Service for Teachers	Director of Human Resources
Article XX	Teacher Hours and Duties	Director of Human Resources
Article XXI	Class Size	Director of Human Resources
Article XXII	Non-teaching Duties	Director of Human Resources

## CORPORAL PUNISHMENT AND LIMITED USE OF REASONABLE FORCE (4203)

“Corporal punishment” is defined as the deliberate infliction of physical pain by hitting, paddling, spanking, slapping, or any other physical force used as a means of discipline. Corporal punishment does not include physical pain caused by reasonable physical activity associated with athletic training.

Employees will not inflict, or cause to be inflicted, corporal punishment upon any student under any circumstances. Any employee who engages in corporal punishment against a student will be subject to discipline, including discharge. An administrator or supervisor will report the employee to CPS consistent with **Policy 4202**.

Employees may use reasonable physical force upon a student as necessary to maintain order and control in a school or school-related setting for the purpose of providing an environment conducive to safety and learning.

The District may provide training to employees on the use of reasonable force and physical intervention techniques. If the District has provided that training to an employee, the employee must comply with that training.

Employees must comply with **Policy 5211** on Seclusion and Restraint of students and federal and state law. An employee’s illegal use of seclusion or restraint may result in discipline, including discharge.

## ANTI-HARASSMENT POLICY (4102)

Employees will have the opportunity to work in an atmosphere free from unlawful harassment, including sex-based harassment, as defined by state, federal, and local laws. The District prohibits quid pro quo and hostile work environment harassment.

The District will promptly and thoroughly investigate complaints pursuant to **Policy 4104** alleging unlawful harassment and take appropriate action, including discipline, against any person found to have violated this Policy. Investigation determinations will be based on a preponderance of the evidence.

Unlawful harassment is strictly prohibited. This Policy applies to employee conduct perpetrated against other employees, parents/guardians, officers, Board members, agents, contractors, volunteers, and members of the public. Although Title VII sexual harassment falls within this Policy, Title IX sexual harassment does not. For the District's Policy on Title IX sexual harassment, see **Policy 3118**. Allegations that an employee engaged in unlawful discrimination, harassment, or retaliation against a student will be investigated under **Policy 5202**.

This Policy applies to unlawful conduct related to work in any way, regardless of location.

### **Definition of Unlawful Harassment.**

Except with regard to **Title IX Sexual Harassment Policy 3118**, the following definitions apply:

1. "Quid pro quo" harassment occurs when a supervisor requires sex, sexual favors, or sexual contact from an employee or job candidate as a condition of employment and where:
  - submission to that conduct or communication is made a term or condition, either explicitly or implicitly, to obtain or maintain employment; or
  - submission to or rejection of that conduct or communication is used as a factor in a decision affecting a person's employment.
2. "Hostile work environment" harassment is unwelcome verbal, visual/written, or physical conduct towards an employee because of the employee's race, color, national origin, ethnicity, religion, sex (including pregnancy), height, weight, marital status, gender identity, age, sexual orientation, disability, genetic information, veteran status, military service, or any other protected class and that has:
  - the purpose or effect of creating an intimidating, hostile, or offensive work environment;
  - the purpose or effect of unreasonably interfering with an employee's work; or
  - an adverse impact on a person's employment opportunities.

**Definition of Sexual Harassment.** While all forms of harassment are prohibited, special attention should be paid to sexual harassment. "Sexual harassment" is generally defined under both state and federal law as unwelcome sexual advances, requests for sexual favors, and other verbal or physical conduct of a sexual nature where:

- Submission to or rejection of such conduct is made either explicitly or implicitly a term or condition of any individual's employment or as a basis for employment decisions; *or*

- Such conduct has the purpose or effect of unreasonably interfering with an individual's work performance or creating an intimidating, hostile, or offensive work environment.

Other sexually oriented conduct, whether intended or not, that is unwelcome and has the effect of creating a work environment that is hostile, offensive, intimidating, or humiliating to workers may also constitute sexual harassment.

While it is not possible to list all those additional circumstances that may constitute sexual harassment, the following are some examples of conduct that, if unwelcome, may constitute sexual harassment depending on the totality of the circumstances, including the severity of the conduct and its pervasiveness:

- Verbal: Unwelcome comments, including: the use of derogatory, sexually suggestive, or vulgar language; the use of sexual innuendo; unwelcome advances or repeated requests for dates or sexual favors; threats based on or motivated by a person's sex; demanding or pressuring another person to submit to sexual requests or advances to attain academic or professional achievement; threatening another person's academic or professional reputation if that person does not submit to sexual requests or advances; or any other similar behavior.
- Visual/Written: Subjecting another person to sexually suggestive, pornographic, or obscene images, text, or cartoons, including by electronic mail, text message, letter, or any other medium; the use of obscene gestures toward or around another person; leering at another person; or any other similar behavior.
- Physical: Unwanted kissing, touching, patting, hugging, pinching, or any other unwanted physical contact; impeding another person's normal movements; stalking, assault, or battery based on the victim's sex; any other physical interference with another person based on that person's sex; or any other similar behavior.

All employees should take special note that, as stated above, retaliation against an individual who has complained about sexual harassment and retaliation against individuals for cooperating with an investigation of sexual harassment complaint is unlawful and will not be tolerated at Midland Public Schools.

## CERTIFICATION (4111)

Every Administrator in the district is required to hold a valid Michigan administrator certificate or permit. A valid Michigan teaching certificate is highly recommended. As a condition of continued employment, Administrators must hold and maintain certificates, licenses, credentials, and qualifications as set by the Board or required by law, including Revised School Code Sections 1246 and 1536.

Administrators must comply with professional development or continuing education obligations to maintain certifications or licenses, including the payment of any related fees. The District is not obligated to notify professionals that certifications or licenses are expiring.

## CHARACTERISTICS OF CONTRACT, SALARY PROGRAM

Administrative personnel will be assigned on a full-year or limited-year basis. A full-year assignment involves a 52-week work year, including vacation time. A limited-year assignment involves a 50-week work year, including vacation time.

The two non-work weeks for administrators on limited-year assignments, commonly called “Z” days, will be scheduled, through the proper supervisor, during the first two weeks of July. All “Z” days must be used before any charge is made against the administrator’s vacation bank.

Administrative personnel will be subject to individual employment contracts not to exceed 2 years and may be governed by a collective bargaining agreement, with extensions of the contract recommended before July 1 of each year. Annual evaluations of all administrative personnel, including recommendations for salary, will be completed each year by the end of June.

Benefits provided for the administrative staff will be recommended by the Superintendent and approved by the Board of Education.

Salaries for administrative personnel will be presented for Board of Education approval not later than June of each year.

### ADMINISTRATOR POSITIONS BY LEVEL

The salary ranges for administrative positions listed below are base-to-maximum amounts and do not include longevity stipends. As per Board policy, movement through the ranges is based on performance and is not based on seniority.

## DETERMINATION OF SALARY RANGES, INDIVIDUAL SALARIES WITHIN RANGES

For purposes of salary determination, there is a maximum salary for each level of job responsibility. A salary range for each level is then established by calculating a base that is 15% below the maximum.

All staff members' salaries will be established within the range for their level. Staff members without experience in a position will be paid at a figure near the bottom of the range. They will receive raises each year within the range on the basis of an annual evaluation. Raises during the first years they are in a position will be based on several factors, including growth through experience in the position and quality of performance.

The rate at which an administrator advances yearly, within the range from Base to Maximum, depends on the overall rating on the yearly Performance Evaluation.

The numerical scale for rating performance is:

- 1 – Overall performance is highly effective
  - 2 – Overall performance is effective
  - 3 – Overall performance minimally effective
  - 4 – Overall performance is not effective
- (This is a temporary rating; allowable for a one-year period only.)

The percentage advancement from Base to Maximum for each rating is:

- 1 – 3 percentage points
- 2 – 3 percentage points
- 3 – 1.5 percentage points
- 4 – No advancement

The administrator will be considered to be at B+3, B+5.5, B+13, etc., depending on the percentage of advancement from Base.

The Superintendent before submission to the Board of Education will approve all salary recommendations. All evaluations are to be reviewed, before discussion with the individual concerned, by a Performance Review Committee consisting of the Superintendent (chair) and Directors.

In order to receive a "1" rating, an administrator must be recommended for an exemplary rating by the administrator's immediate supervisor. The supervisor then meets with the Performance Review Committee to discuss the potential rating. After meeting with all the supervisors, the

Performance Review Committee votes to approve or disapprove each individual recommendation.

An administrator moving from Base to Maximum on the appropriate salary level will advance three (3) percentage points if approved for the exemplary rating.

An administrator within three percent (3%) of Maximum in the Base to Maximum Range who is rated “1” will also advance to Maximum (M).

## PROFESSIONAL DUES/CONFERENCES/PROFESSIONAL DEVELOPMENT

Effective July 1, 2017, all Midland Public Schools’ administrators will be provided up to \$1,500 per year towards the payment of conferences, professional membership dues, and the reimbursement of graduate semester hours/SCECHs for professional development.

All requests for payment of professional dues should be submitted to the Manager of Human Resources using the “Administrator Professional Development Reimbursement form” for processing.

Refer to the HR Forms Drive to access the current Administrator Professional Development Reimbursement Form.

The district will reimburse administrators for graduate semester hours or SCECH’s which are completed at an approved university or through an approved certification program. This reimbursement program is to be used for reimbursement of semester hours or SCECH’s earned toward certification program only. No other SCECH’s will be accepted for reimbursement purposes.

To qualify for reimbursement, coursework must be taken at the graduate level, must be related to their field, have been taken at an approved university (NCATE or North Central), be graded, and the administrator must have earned a grade of B or better. To qualify for module/ SCECH’s reimbursement, modules must be completed, must be related to administrator certification, have been taken through an approved certification program, and receive SCECH’s for the completed module.

Teachers, Non-Teaching Professionals, Administrators, and the Superintendent must comply with professional development or continuing education obligations to maintain certifications or licenses, including the payment of any related fees. The District is not obligated to notify professionals that certifications or licenses are expiring.

## ADMINISTRATOR EVALUATION (4503)

Administrators will be evaluated each year by the Superintendent or designee. Annual evaluations of all administrative personnel will be completed each year by June 30. Recommendation for salary must be made by the first Monday in May.

Evaluation of administrative personnel, including a recommendation for salary, will be the responsibility of the administrator or administrators to whom the staff member is responsible.

Refer to the Admin Council Folder to access the current Administrator Evaluation Form.

## EVALUATION RESPONSIBILITIES

Administrators are responsible for the evaluation of teachers, ancillary staff, office/technical professionals, paraprofessionals, coaches and sponsors of non-athletic activities.

Evaluations are confidential and shall be available only to the employee, the evaluator and other appropriate administrators.

## LONGEVITY

Effective July 1, 2015, administrators that received longevity payments for years of certificated service with the Midland Public Schools in the 2014-2015 school year, will only continue to receive longevity in the amount they received in 2014-2015 year (not cumulative).

Administrators who have not received longevity in 2014-2015 because they have not completed 15 years of certificated service will not be eligible to receive longevity payments.

## COMMUNICATION RESPONSIBILITIES

There are times when contact with an administrator during school hours and beyond school hours is imperative. All administrators are required to have a cell phone and to register that cell phone number with the Superintendent's office for publication to other administrators or other staff members with a need to know.

## SUPERVISION OF STUDENT ACTIVITIES

Members of the secondary building administrative teams are expected to supervise athletic events and other student activities beyond the school day as scheduled by the principal. It is not necessary that multiple members of the administrative team attend unless problems or difficulties are anticipated.

Administrators supervising after-school student activities may need to leave work early in order to be back for the supervision responsibility.

## EMPLOYEE DISCIPLINE

The Superintendent or designee may discipline Administrators, Supervisors, or Directors for misconduct, violations of contract, Policy, or law, or other inappropriate behavior. Off-duty conduct may result in discipline if it adversely impacts the District and is not otherwise a legally protected activity. Before discipline is imposed, the Administrator, Supervisor, or Director will be provided an opportunity to respond to the allegation(s).

## STAFF DIRECTORY

All Midland Public Schools' employees should have a Staff Directory and access to any information appearing in the directory. Telephone numbers and addresses are sometimes unlisted and are not to be given out by OP members, even to staff members. Authorization to provide any information in the Staff Directory to anyone other than staff members must be granted by the administrator in charge. In questionable cases the OP member can obtain the caller's telephone number or address and contact the staff member with this information; the staff member may then contact the calling party if they so choose.

## CONFIDENTIALITY OF STUDENT RECORDS (4204)

Employees must maintain and protect the confidentiality of student information and student education records (as defined in **Policy 5309**) and recognize parent/guardian rights to student information about their minor child(ren).

Employees must not disclose to third parties confidential student information or records, medical information, performance records, or behavior records unless appropriately authorized. This Policy prohibits disclosure to employees who do not have a legitimate educational interest in the student record.

Disclosure is appropriately authorized with a written release from the parent/guardian or student 18 years or older in accordance with the Family Educational Rights and Privacy Act (FERPA), the Individuals with Disabilities Education Act (IDEA), implementing regulations, and state law. Employees who receive a subpoena seeking disclosure of student records or other confidential information must immediately notify the Superintendent or designee. Employees must not speak with an attorney who does not represent the District about a student without approval from the Superintendent or designee.

## SOCIAL SECURITY NUMBERS (3113)

The District's use, storage, and transmission of social security numbers will comply with this Policy and applicable law. As used in this Policy, "social security number" means more than 4 sequential digits of a person's social security number.

### A. Social Security Number Confidentiality

1. District personnel may access another person's social security number only to the extent necessary to perform District job duties.
2. Any physical, non-digital document or physical copy of a digital document, containing a person's social security number, if practical, should be stored in a secure area when not in use.
3. Any application, software program, electronic document, or other digital means through which a person has access to a social security number must be password protected.
4. District personnel and Board members will not intentionally disclose a social security number or a document containing a social security number to another person unless

- (a) that person is authorized to receive social security numbers under subsection B of this Policy, or (b) the disclosure is necessary to comply with applicable law, subpoena, or court order.
5. To share a document containing a social security number with a person not authorized to receive a social security number under subsection B, District personnel must make reasonable efforts to redact social security numbers from the document.
  6. District personnel authorized to receive social security numbers will make reasonable efforts to destroy each document containing a social security number when it is no longer needed by shredding or incinerating it, subject to record retention requirements. See **Policy 3502**.
  7. The District will not display a social security number on its checks.
- B. District Personnel Authorized to Receive Social Security Numbers
1. The following persons may receive a social security number in the course of performing their duties:
    - Superintendent;
    - Chief business official;
    - Chief human resources official
  2. If District personnel or a Board member encounters a document in the District's possession containing a social security number of another person in the course of performing District duties, that person should give the document to a person authorized to receive social security numbers.

## SCHOOL SAFETY AND SECURITY (3400)

Protecting the safety of our employees and visitors is the most important aspect of running our school district.

All employees have the opportunity and responsibility to contribute to a safe work environment by using common sense rules and safe practices and by notifying management when any health or safety issues are present. All employees are encouraged to partner with management to ensure maximum safety for all.

## SMOKING, TOBACCO PRODUCTS, DRUGS, AND ALCOHOL (3102)

Smoking is not allowed in company buildings or work areas at any time. "Use of tobacco product" means any of the following:

- the carrying by a person of a lighted cigar, cigarette, pipe, other lighted smoking device, or electronic nicotine delivery system;
- the inhaling or chewing of a tobacco product;
- the placing of a tobacco product within a person's mouth; or
- the smoking or use of electronic vapor or other substitute forms of cigarettes, clove cigarettes, other lighted smoking devices, or other electronic nicotine delivery systems for consuming or inhaling tobacco or any other substance.

The District prohibits the sale, possession, distribution, dispensation, or use of tobacco products, electronic cigarettes, vaporizers, and all electronic nicotine delivery systems on property owned or operated by the District.

District personnel should review Policy 4210 for the district’s drug and alcohol free workplace policy.

The District may also prohibit the use of these products at District-related events.

## INCLEMENT WEATHER POLICY

Administrators are expected to report to work. An employee who will be delayed in reporting to work because of difficulties in traveling, or who may even be prevented from arriving at all, is to contact his/her supervisor to report the difficulties. Each supervisor is authorized to approve the employee’s being late (or in justifiable circumstances, absent) in this situation. Such absences are to be recorded as “miscellaneous approved absence” on the payroll records. Requests to review a decision on an employee’s tardiness or absence, if necessary, should be referred to the Associate Superintendent of Administrative Services.

## HOLIDAYS

The official school calendar, as annually adopted by the Board of Education, defines holidays for the Midland schools. Such holidays include July Fourth, Labor Day, Thanksgiving, the Friday after Thanksgiving, Christmas Eve, Christmas Day, New Year’s Eve, New Year’s Day, Good Friday, and Memorial Day.

Employees who need time off to observe religious practices or holidays not already scheduled by the company should speak with the Director of Human Resources. Depending upon business needs, the employee may be able to work on a day that is normally observed as a holiday and then take time off for another religious day. Employees may also be able to switch a scheduled day with another employee, or take vacation time, or take off unpaid days. The company will seek to reasonably accommodate individuals’ religious observances.

Employees are not expected to work on holidays unless special arrangements are made. If any one of the foregoing holidays falls on Saturday or Sunday, the Friday preceding or the Monday following said holiday will be counted as one of the ten (10) paid holidays.

## WORK YEAR, VACATION SCHEDULES

For all administrators, vacation allowance is based upon the number of months of assignment. For this reason, a limited-year and a full-year schedule appear below:

Credited Years for Vacation	Assignment Full Year	Assignment Limited Year
0-5	20 days	18 days
6-7	21 days	19 days

8-9	22 days	20 days
10-11	23 days	21 days
12-13	24 days	22 days
14-15	25 days	23 days
16-17	26 days	24 days
18-19	27 days	25 days
20-21	28 days	26 days
22-23	29 days	27 days
24-25	30 days	28 days

At the time of initial employment as an administrator, years of teaching experience in the district; years of teaching, administrative experience, military service and/or creditable related service outside the district may be counted as credited years for vacation, up to a maximum of twelve (12) years of total credit.

Days of vacation may be borrowed from the succeeding year's vacation allotment to the extent of five (5) days.

If all vacation is not used in any one year, unused days may be carried over to the next year. The total number of vacation days accumulated by the current year's assignment, carryover and borrowing shall not exceed thirty-two (32). If the vacation days earned in a given year and carried over from the previous year exceed thirty-two (32), the days above thirty-two (32) will be added to the administrator's sick leave days accumulation.

Beginning in the spring of 2004, administrators who notify the Human Resources Office before July 1<sup>st</sup> of their intent to retire June 30<sup>th</sup> of the following year may carry up to an additional five (5) vacation days into their final year of employment. Retirement plans will be announced to the Board of Education (requested by the administrator in writing) no later than the first meeting in March in the year of retirement. If the vacation days earned in a given year and carried over from the previous year exceed thirty-seven (37) days, the days above thirty-seven (37) will be added to the administrator's sick leave days accumulation. Final vacation pay-out may not exceed thirty-two (32) days.

With the exception of designated holidays on the official school calendar, days not worked during periods when schools are not in session are to be counted as vacation days.

Vacation time is to be scheduled with the approval of the proper supervisor.

The ten (10) non-work days for administrators on a limited-year assignment are commonly called "Z" days. All "Z" days must be used before any charge is made against the administrator's vacation bank. All limited-year administrators shall take off the first two weeks of July utilizing "Z" days unless permission is granted by the Superintendent. If an Administrator is hired with less than 250 days remaining in the school year, no Z days will be given at the time of hire.

## PERSONAL DAYS

Every administrator is entitled to three (3) personal days per year to be used for business that cannot be conducted off school time. Administrators employed initially within a school year and/or work less than 189 days per year are allotted a prorated number of personal days based on the number of days worked per school year. The use of personal days should be determined with the employee's supervisor. One unused day may be carried over to the next year. A maximum of four (4) days could be available in any year. Unused personal days not carried over will be applied to the individual's personal illness bank.

## PERSONAL ILLNESS

Administrators on limited-year contracts receive fourteen (14) personal illness days per year; those on full-year contracts receive fifteen (15) personal illness days per year. Unused days are accumulative without limitation.

In cases of merit, upon recommendation of the Superintendent, the Board of Education may extend sick leave beyond this limit.

Unused vacation days, unable to be carried over to the next year, may be converted to personal illness days.

## SERIOUS ILLNESS

Any administrator who exhausts his or her personal sick bank, Z-days, personal days and all, except for ten (10), vacation days due to one serious illness per work year shall be entitled to additional sick days, whether consecutively or intermittently, until the administrator reaches the sixtieth (60<sup>th</sup>) day from the onset of the serious illness at which time the administrator would be eligible to apply for long-term disability benefits.

The administrator would apply for long-term disability benefits and, if eligible, be placed on an unpaid Family Medical Leave of Absence (FMLA) until such time the administrator provides the District with medical certification releasing the individual back to work. (The long-term disability carrier determines eligibility of LTD benefits, not the District.)

This benefit is limited to one serious illness per work year. Any additional requests for access to this Administrator Sick Bank, in any one work year, may be considered for approval by the Superintendent of Schools.

## FAMILY ILLNESS

To any regular employee dealing with serious illness requiring bedside or household attention by the employee of spouse, child, sibling, parent, parent-in-law, daughter-in-law, son-in-law, grandparent, grandchild or dependent of the immediate household resident, a total of ten (10) days' leave in any one year will be granted without loss of salary. Those employed initially within a school year and/or work less than 189 days per year are allotted a prorated number of

family days based on the number of days worked per school year. Such leave shall not be cumulative nor counted as part of sick leave.

In the event that an employee is dealing with an extreme situation in a single school year involving family members as defined above and if that manager has exhausted his/her family illness days, personal days, Z-days, and all except for ten (10) vacation days, the manager may apply to the Superintendent for an extension of these days of absence.

## BEREAVEMENT

Absence not to exceed five (days) in any one year for reason of death for a spouse, child, sibling, parents, parent in law, daughter in law, son in law, grandparent, grandchild, or dependent of the immediate household resident. Absence for death of others not named above will be granted on written request to the Director of HR. Such leave shall not be cumulative nor counted as part of sick leave.

## FAMILY AND MEDICAL LEAVE ACT (4106)

Midland Public Schools complies with the federal Family and Medical Leave Act (FMLA), which requires employers to grant unpaid leaves of absence to qualified workers for certain medical and family-related reasons. The company also abides by any state and local leave laws. The more generous of the laws will apply to the employee if the employee is eligible under both federal and state laws.

Please note there are many requirements, qualifications, and exceptions under these laws, and each employee's situation is different. Contact the Human Resources department to discuss options for leave.

**Basic Leave Entitlement.** The FMLA requires covered employers to provide up to 12 weeks of unpaid, job-protected leave to eligible employees for the following reasons: (1) for incapacity due to pregnancy, prenatal medical care, or child birth; (2) to care for the employee's child after birth or placement for adoption or foster care; (3) to care for the employee's spouse, son or daughter, or parent who has a serious health condition; or (4) for a serious health condition that makes the employee unable to work.

**Military Family Leave Entitlements.** Eligible employees with a spouse, son, daughter, or parent on active duty or called to active duty status in the National Guard or Reserves in support of a contingency operation may use their 12-week leave entitlement to address certain qualifying exigencies. Qualifying exigencies may include addressing issues that arise from (1) short notice of deployment (limited to up to seven days of leave); (2) attending certain military events and related activity; (3) arranging childcare and school activities; (4) addressing certain financial and legal arrangements; (5) attending certain counseling sessions; (6) spending time with covered military family members on short-term temporary rest and recuperation leave (limited to up to five days of leave); (7) attending post-deployment reintegration briefings; (8) arranging care for or providing care to a parent who is incapable of self-care; and (9) any additional activities

agreed upon by the employer and employee that arise out of the military member's active duty or call to active duty.

The FMLA also includes a special leave entitlement that permits eligible employees to take up to 26 weeks of leave to care for a covered service member during a single 12-month period. A covered service member is a current member of the Armed Forces, including a member of the National Guard or Reserves, who has a serious injury or illness incurred in the line of duty on active duty that may render the service member medically unfit to perform his or her duties and for which the service member is undergoing medical treatment, recuperation, or therapy; or is in outpatient status; or is on the temporary disability retired list.

**Benefits and Protections During FMLA Leave.** During FMLA leave, the Company will maintain the employee's health coverage under any "group health plan" on the same terms as if the employee had continued to work. Upon return from FMLA leave, most employees will be restored to their original or equivalent positions with equivalent pay, benefits, and other employment terms. However, an employee on FMLA leave does not have any greater right to reinstatement or to other benefits and conditions of employment than if the employee had been continuously employed during the FMLA leave period.

**Employee Eligibility.** The FMLA defines eligible employees as employees who: (1) have worked for the Company for at least 12 months; (2) have worked for the Company for at least 1,250 hours in the previous 12 months; and (3) work at or report to a worksite which has 50 or more employees or is within 75 miles of Company worksites that taken together have a total of 50 or more employees.

**Definition of Serious Health Condition.** A serious health condition is an illness, injury, impairment, or physical or mental condition that involves either an overnight stay in a medical care facility or continuing treatment by a health care provider for a condition that either prevents the employee from performing the functions of the employee's job or prevents the qualified family member from participating in school, work, or other daily activities.

Subject to certain conditions, the continuing treatment requirement may be met by a period of incapacity of more than three consecutive calendar days combined with at least two visits to a health care provider or one visit and a regimen of continuing treatment, or incapacity due to pregnancy, or incapacity due to a chronic condition. Other conditions may meet the definition of continuing treatment.

**Use of Leave.** An employee does not need to use this leave entitlement in one block. Leave can be taken intermittently or on a reduced work schedule when medically necessary. Employees must make reasonable efforts to schedule leave for planned medical treatment so as not to unduly disrupt the employer's operations. Leave due to qualifying exigencies also may be taken on an intermittent or reduced work schedule basis.

**Pay while on FMLA leave.** Employees will use personal or family illness bank while on FMLA leave. When the balance has been exhausted, the employee will be on unpaid FMLA leave.

The District complies with the ADA, Section 504, the MPDCRA, and other federal, state, and local laws that prohibit discrimination in employment against qualified persons with disabilities. After an applicant has been given a conditional job offer, the District may ask disability-related questions about the applicant's ability to perform the essential functions of the position with or without reasonable accommodation.

An employee who requires a reasonable accommodation to perform essential job functions must promptly inform the employee's supervisor or the Superintendent or designee. An applicant who requires a reasonable accommodation to perform essential job functions must promptly inform the Superintendent or designee after receiving a conditional offer of employment. A reasonable accommodation is defined as a change in the work environment or in the methods of performing work to enable an otherwise qualified applicant or employee to perform the essential job functions of a position and to enjoy equal employment opportunities.

An applicant or employee who believes he/she has been discriminated against under this Policy must promptly file a complaint using the Employment Complaint Procedure in **Policy 4104**.

In qualifying circumstances, eligible full- and part-time employees may take leave related to military service and are entitled to reemployment and other rights during and at the conclusion of military leave. Military leave is unpaid, but employees may use accrued applicable paid leave for all or a portion of their military leave in accordance with a collective bargaining agreement or individual employment contract.

All employees who enter military service may accumulate a total absence of 5 years and still retain employment rights.
