Principal's Notes

Odem Junior High School Owlets have had an exciting athletic spring season! We know each of our OJH students work diligently to advance their best efforts. They continue to show their dedication and skill to each event for a busy competitive spring season. OJH students are also steadily preparing for their STAAR assessments rapidly approaching in April and May ready to successfully tackle their assessment. Our staff continue to diligently work alongside our students to ensure they obtain the utmost success on their upcoming assessments. We are proud of all our students and look forward to seeing their success socially and academically via the activities and assessments of the final six weeks! OJH and its families together can make the most difference in our student's success.

Attendance at school is very important. When students arrive late or are picked up before dismissal, teaching and learning are disrupted.

The school schedule is 7:55am-3:45pm!

Instruction takes place until 3:45pm. Picking up students early will result in missed class content.

"You have the POWER to CHANGE the world use it to make a DIFFERENCE!"
