FOR IMMEDIATE RELEASE:

January 11, 2024

School Closure on Friday, January 12, 2024, Due to Severe Weather

LUMPKIN, GA - It is with great concern for the safety of our students and staff that we are writing to inform you of an important decision regarding school operations. The Stewart County School District has been closely monitoring the weather forecast, and it has come to our attention that severe weather is expected to impact our area on Friday, January 12, 2024. In the interest of the safety and well-being of our students and staff, we have decided to switch to virtual learning for this day. Information on Friday's virtual learning will be posted in scholar's Google Classrooms. Please email your scholar's teacher if you have any questions.

This decision has been made to ensure the safety of everyone associated with our schools, as we anticipate challenging weather conditions that could pose risks for transportation and overall safety. We believe that taking this precautionary measure is essential to safeguard the welfare of our students, staff, and their families.

School activities, including after-school programs and athletic events, will also be canceled on Friday, January 12, 2024. We encourage everyone to stay informed about the weather updates and take necessary precautions to stay safe during this period.

We will keep you informed of any updates or changes through our official communication channels, including our website, social media platforms, and local news outlets.

Stay safe and warm!
