Objectives

Students will be able to:

- read, write, and perform rhythms using modified musical notation
- read, write, and perform melodies using modified musical notation
- Identify parts of the staff
- Play and sing in a group using musical notation.

Students will know:

- Music notation: note vs. rest, eighth notes, quarter notes, half notes, whole notes, quarter rest. Notation may be modified using Kodaly and Dalcroze methodologies.
- Parts of the staff: lines, spaces
- Music is organized into measures based on the time signature
- Form AB and ABA

Assessment

Formative:

Student Participation

Formative: Performance: Authentic Task/ Skill Demonstration

Students will be assessed each class on their level of engagement, cooperation, and participation in class discussions and activities.

Teacher Observation

Formative: Oral: Interactive Discussion/ Debate

Students will be assessed through observation during class discussions and activities for accuracy, understanding, and technical ability.

Teacher-Student Conferences

Students will meet with the Teacher at regular intervals throughout the school year to set and assess student personalized learning goals.

Summative:

Classwork

Summative: (Other)

Students will engage in written or hands on activities to demonstrate understanding of written notation

Instrumental Proficiency**Summative: Performance: Authentic Task/ Skill Demonstration**

Students will be assessed on playing proficiency on the recorder or similar instrument with regard to technique, rhythmic accuracy, and melodic accuracy.

Projects

Composition

Benchmark**Pre-Assessment****Benchmark: Written (Test): Selected Response Only**

At the beginning of this unit students are given a written assessment of content that will be covered in this unit.

Alternative:

- **Modified Assessment based on individual IEPs and Advanced skills**

Performance: Authentic Task/Skill Demonstration

Students will be assessed based on applicable skill level including modified tests, project enrichment/extension.
