

CHILD FIND PUBLICITY CAMPAIGN

The Louisville Municipal School District's Office of Support Services is participating in an ongoing effort to identify, locate, and evaluate children, ages three through twenty-one, who reside within Winston County and have language/speech, physical, mental, learning, and/or emotional disabilities.

If you suspect that your child has a disability that impacts their performance in the learning environment, please contact Cathy Edwards or Rosemary Lampley at the Office of Support Services by calling 662-773-2036.
