Monday

Tuesday

Wednesday

Thursday

Friday

Did you know?

August is named after Augustus Caesar, founder and the first emperor of the Roman Empire, who was posthumously adopted by his maternal great-uncle Gaius Julius Caesar. In the early Roman calendar, August was actually the sixth month of the year. It was originally 30 days in length, but an extra day was added so that it would equal the number of days in July, which was named after Julius Caesar.

5
