

## District Annual Education Report (AER) 2024-2025

January 12, 2025

Dear Parents and Community Members:

We are pleased to present you with the Annual Education Report (AER), which provides key information on the 2024-25 educational progress for Owosso Public Schools. The AER addresses the complex reporting information required by federal and state laws. If you have any questions about the AER, please contact Stephen G Brooks or your building principal for assistance.

The district AER is available for you to review electronically by visiting the following website: [Owosso Public Schools AER Report](#), or you may review a copy in the main office at your child's school. Each school will also be communicating their own AER to parents directly.

These reports contain the following information:

### **School Accountability Data**

- Includes information on schools' performance on various measures such as student proficiency and growth on state assessments, graduation, and attendance rates. Performance is measured on 0-100 index scales
- Reports schools identified under three federally required categories for further support: Comprehensive Support and Improvement, Targeted Support and Improvement, and Additional Targeted Support

### **Student Assessment Data**

- Includes the following three assessments: M-STEP (Michigan Student Test of Educational Progress), MI-Access (Alternate Assessment), and College Board SAT
- Presents assessment information for English language arts and mathematics for grades 3 to 8 and 11, and MI-Access science for grades 5, 8, and 11, compared to state averages for all students as well as subgroups of students

## **National Assessment of Educational Progress (NAEP) Data**

- Provides state results of the national assessment in mathematics and reading every other year in grades 4 and 8

## **Educator Qualification Data**

- Identifies the number and percentage of inexperienced teachers, principals, and other school leaders
- Reports teachers who are teaching with emergency or provisional credentials
- Includes teachers who are not teaching in the subject or field for which they are certified

## **Civil Rights Data**

- Provides information on school quality, climate, and safety

Please review the table below listing our schools. For the 2025-26 school year, schools were identified based on previous years' performance using definitions and labels as required in the Every Student Succeeds Act (ESSA). A Targeted Support and Improvement (TSI) school is one that had at least one underperforming student group in 2024-25. An Additional Targeted Support (ATS) school is one that had at least one student group performing at the same level as the lowest 5% of all schools in the state in 2021-22. A Comprehensive Support and Improvement (CSI) school is one whose performance was in the lowest 5% of all schools in the state, had a graduation rate at or below 67%, failed to exit CSI status in 2024-25, or failed to exit ATS status in 2021-22. Some schools are not identified with any of these labels. In these cases, no status label is given.

<b>School Name</b>	<b>Status Label</b>	<b>Key Initiative to Accelerate Achievement</b>
Bryant Elementary	No Status Label Given	International Baccalaureate studies
Central Elementary	No Status Label Given	International Baccalaureate studies
Emerson Elementary	No Status Label Given	International Baccalaureate studies
Owosso Middle School	No Status Label Given	International Baccalaureate studies
Owosso High School	No Status Label Given	International Baccalaureate studies
Lincoln High School	Comprehensive Support and Improvement (CSI)	International Baccalaureate studies

Overall, the district is thriving, and each school is addressing the wide spectrum of learners within its diverse population. As indicated on our “points of pride”, we continue to receive special accolades for our ability to reach both ends of the achievement spectrum. Our highest achieving student needs are being challenged, and our lowest achieving student needs are being addressed. The district continues to provide specialized programs of instructional support for those subpopulations (unique to large districts like Owosso) that are not yet scoring proficient on the State of Michigan assessments. Owosso’s student growth on these assessments remains one of our strengths. Indeed, we are proud of our outstanding district.

Sincerely,

Mr. Stephen Brooks  
Superintendent, Owosso Public Schools
