Mossy Creek Middle School FFA Team Wins State Event

HOUSTON COUNTY, GA – The FFA Conduct of Chapter Meetings Team from Mossy Creek Middle School recently won the State FFA Conduct of Chapter Meetings Leadership Development Event (LDE). The event was held at 94th Georgia State FFA Convention in Macon, Georgia on April 28. The team will advance to national competition at the National FFA Convention in Indianapolis in October.

Team members Maggie Bell, Lily Dockery, Sarah Dunford, Landon McKinley, Eli Ransom, Isabella Sailor, and John Warren became eligible to compete in the state event after winning the Area 3 Conduct of Chapter Meetings LDE.

The Conduct of Chapter Meetings LDE allows team members the opportunity to demonstrate

their skills in conducting a mock FFA chapter meeting. Team members begin their demonstration with the official FFA opening ceremony, conduct business using Robert's Rule of Order in their parliamentary debate, and end their presentation with the FFA closing ceremony. Contestants also take a written exam and answer oral questions concerning their demonstration.

FFA is a national organization of over 735,000 members preparing for leadership and careers in the science, business and technology of agriculture. FFA is an integral part of the agricultural education program in middle and high schools. The FFA mission is to make a positive difference in the lives of students by developing their potential for premier leadership, personal growth and career success through agricultural education.

Justin Bennett serves as the FFA Advisor at Mossy Creek Middle School.
