## The Rebel Report

Rebel hoops started off in fierce fashion this past weekend as both teams swept the Lockwood tournament.

On Friday, the girls played the newly formed Bridger cooperative and won 50-41 while the boys beat Bridger 43-28. On Saturday, Rebel domination continued with a 68-29 victory for the girls over Absarokee and a 60-38 win for the boys over the Huskies. The teams are looking forward to taking on Ekalaka and Terry this weekend at the Broadview-Lavina tournament — where the JV boys will get to play a game as well on Friday with Fromberg.

Five wrestlers have been hitting the mats under the guidance of Coach Caleb Scott. The team is looking forward to future matches, with a potential meet in Huntley next weekend.

### STUDENTS TO TAKE TEST TUESDAY

The **Armed Services Vocational Aptitude Battery (ASVAB)** is a multiple-aptitude battery that measures developed abilities and helps predict future academic and occupational success in the military. Hysham tenth, eleventh, and twelfth graders will take this next Tuesday in the library. They must have their Chromebooks and chargers.

# Student Fundraises For Trip

Hi, my name is Sam Roberts, and I am a junior at our high school here in Hysham. I am a very active student throughout the year. Besides participating in pep club, FFA, student council, and paper-annual, I also compete in sports. I play volleyball and run track for the Rebels.

This year, I have been offered an amazing opportunity to travel to the United Kingdom with the NBC Volleyball Travel Teams as a player for the 2024 season. It is a once-in-a-lifetime adventure, and I am really excited!

This trip costs a fair amount of money, so my mom and I have been making tie blankets to sell as my first fundraiser. The blankets will be posted on the community Facebook page (as Kerry Roberts). We are also making custom-order blankets. Please message her if you are interested in purchasing one of these blankets.

Thank you for your support!
