HIGHLIGHTS

To our amazing community,

We hope you and your family are enjoying a fantastic summer filled with sunshine, relaxation, and just the right amount of staying up later than usual. While students have been perfecting the art of summer vacation, the SASHS office and administration team have been busy preparing for another exciting school year.

We are especially excited to welcome the Class of 2030 to the high school this fall! To our newest students: don't worry, the building isn't as big as it seems on the first day, and yes, you'll eventually figure out where all of your classes are located. We are thrilled to have you join the SASHS family.

As a reminder, SASHS families will receive a monthly newsletter at the beginning of each month with important dates, upcoming events, and other helpful information. Think of it as the email you'll actually want to read!

Until then, enjoy the rest of your summer, make some great memories, and maybe start introducing yourself to your alarm clock again—we'll all be reunited before you know it. We can't wait to welcome everyone back to SASHS!

Medications in School

Process and Documentation Needed by the School Nurse

Per board policy, students are not permitted to have medications with them or in their bags (with the exception of emergency medications like an inhaler and epi pen). An adult must drop off medication at the school office with the school nurse. A doctor's order is required before the nurse can administer the medication.	Documents needed: An order from the doctor prescribing the medication or approving the over-the-counter medication for the student. Our med order form is available on the website. The doctor's office can also send their own written order Contact info: Email: amber.aushman@ship.k12.pa.us Fax: 717-530-2835 Phone: 717-530-2730 (option 4 for the nurse)

IMPORTANT -

A change in our standing orders from the school doctor will permit the school nurse to give for each student our over-the-counter acetaminophen (Tylenol) 10 times through the school year. Any needs in addition to that will require an order from the student's primary care provider directing use as well as the desired medication brought in from home by a parent or guardian.

Scheduling Update (2026-2027 School Year):

Over the summer months, school counselors will continue finalizing individual student schedules for the 2026-2027 school year. They are reviewing course requests and building schedules that best support each student's academic goals while keeping students on track for graduation and balance course availability.

Student schedules will be available for families to view beginning July 1, 2026, these are TENTATIVE schedules. Final Schedules are not official until August 3, 2026. Guidance counselors will be available, in the Guidance office, beginning in August to make adjustments.

After reviewing your child's schedule, if you notice an error or have questions regarding course placement, please contact your child's school counselor as soon as possible and prior to the start of the school year. Addressing concerns early helps us review requests and make any necessary adjustments before students return.

We appreciate your patience as we work through the scheduling process and look forward to seeing everyone back in the fall!

The 9th Annual Greyhound Foundation Golf Tournament

Sunday, Sept 20, 2026 | 9:00am Shotgun Start | Eagles Crossing Golf Club

There is something special about our area. In South Central PA, people believe in showing up for one another.

*We will see it on Friday nights under our **NEW stadium's** lights. We see it at local diners before sunrise. We see it in family-owned businesses, our regional contractors, our school district vendors, manufacturing plants, farms, healthcare offices, banks, and storefronts that keep our community strong.*

Most importantly, we see it in the way our region rallies around our kids.

*We invite you to play or become a sponsor of our 9th Annual Golf Tournament – a high-energy, FUN, community-driven event that allows exceptional educational opportunities to benefit not just some -- **ALL** of our students. Your investment matters because it's more than a logo on a banner. Sponsorship is a visible commitment to strengthening the community where you live, your colleagues live, your customers' work, and your future workforce is being supported!*
