**Dear Harleyville Elementary Families,**

**Welcome back to our returning families and a special welcome to our many new families! My name is Chaquilla Green and I am honored to serve as the principal of Harleyville Elementary School.**

**Even though we are temporarily changing our instructional delivery, we are on the pathway to a wonderful and successful school year. I want to acknowledge the incredible work our teachers and staff have done to get us to this point. Their willingness to work in these uncertain times and provide meaningful learning opportunities for students is greatly appreciated.**

**Finally, I want to say thank you to all our families for the never ending support you give us. You make such a difference in our ability to succeed at Harleyville Elementary. Remember, together we will make this a school year of growth and achievement for all children. As the year continues, please reach out to me if you have any questions or concerns.**

**Mrs. Chaquilla Green, Principal**
