

***SCHOOL COUNCIL TECHNOLOGY POLICY KRS 160.345(2)(i)10***

District: Christian County

School: Hopkinsville Middle School

Council Policy Type	Policy Number
<u>      </u> By-Laws (Council operational policies)	
<u>  X  </u> Function (School Operational Policies)	
<p style="text-align: center;"><b><u>Policy Statement</u></b></p> <p><b>This policy is intended to act as a guide to assess, plan, and make decisions regarding utilization, implementation, and program appraisal of Hopkinsville Middle School.</b></p>	

One of the standing committees (Leadership or Curriculum) will complete a needs assessment, every other year on the usage, implementation, and future needs of students with regards to technology at Hopkinsville Middle School.

**The committee shall, as needed:**

- Assess the needs of instructional and administrative technology.
- Review the state and district plan for educational technology.
- Review and identify available resources in order to purchase new technology.
- Review and or revise the current technology plan.
- Monitor implementation of the plan.
- Align curriculum programs with state standards in technology.

**Progress Monitoring:**

- **The committee will meet as designated by the district and report to council on findings.**

**POLICY EVALUATION**

We will evaluate the effectiveness of this policy through yearly state assessment results with the entire faculty with update reports to the council.
