

Grade Five Reorganization

March 26th, 2026

Dear Parents and Guardians,

This letter is being written to inform the parents and staff of the Frazier School District that I am recommending the district not move forward with the fifth grade reorganization for the 2026 school year. After careful consideration and discussion, I feel it is in the best interest of the students to not move forward with the reorganization, at this time.

The Frazier School District had been exploring the possibility of redistricting our fifth grade class to a middle school schedule which would have included busing changes and specials. Administrators met several times to plan this change, teachers and teacher input had also been included in the early planning stages, as well as open discussions with the Frazier School District Board of Directors. A parent meeting was held on March 18th to discuss and invite parent concerns and input.

I do appreciate everyone who gave consideration and constructive feedback to this endeavor. As always, thank you for your support.

Yours in Education,

Michael V. Turek

Frazier School District Superintendent of Schools
