- Thanks a TON for playing my song selection. I was having a day were I didn't think anything would go right. I was just thinking, if anybody really cares somewhere, something would happen. Then the music and my song played and then another followed right behind it! These totally lifted me day up! I don't know who decided to play it, but I betcha God did it all. I'm going to tell the whole middle school about y'all! Thanks!
