

Oracle Elementary School District  
Governing Board's Strategic Goals  
2023-2024 School Year  
Approved – June 19, 2023

STUDENT ACHIEVEMENT

Strategic Goal: The District will narrow the achievement gap between State averages as measured by State standardized assessments.

Objectives:

The District will:

1. Maintain Quality First Funding for Mt. Vista Kindergarten Prep Program.
2. Hold quarterly study sessions with the Governing Board to review student benchmark achievement data and academic growth across grade levels.
3. Increase enrollment in the National Board Certified Teacher (NBCT) program by at least one by emphasizing the benefits of National Board Certification.

FINANCE & ADMINISTRATION

Strategic Goal: The District will ensure funding is spent to produce better academic achievement.

Objectives:

The District will:

1. Sell the Oracle Ridge property.
2. Implement a successful transition leading up to and following the retirement of our current Business Manager.
3. Gain voter approval to continue our 15% Maintenance and Operations Override in the November 2023 election.

SAFE CAMPUSES

Strategic Goal: The District will provide safe and engaging learning environments which promote the physical, mental, and emotional well-being of students.

Objectives:

The District will:

1. Continue to identify outstanding safety deficiencies and seek funding to minimize.
2. Conduct a campus threat assessment and address identified areas in need of improvement.
3. Foster a positive staff culture and climate by conducting a review of pertinent policy areas and procedures.

COMMUNITY OUTREACH

Strategic Goal: The District will increase community engagement.

Objectives:

The District will:

1. Focus on engagement with Eagle Crest Ranch and the Town of Oracle.
2. Increase Governing Board visibility at school events and during the traditional school day.
5. Continue to display "Fast Facts" on the District website and create a tangible "Fast Facts" card to be distributed to community members.
