APPENDIX C
HEALTH INSURANCE PLAN- STATE PARTNERSHIP PLAN (SPP)

Subject to the conditions set forth below, the Board shall provide each bargaining unit member with group health, dental, and prescription benefits through the Connecticut State Partnership Plan. Vision benefits may be provided through the SPP or on a stand-alone basis.

The health plan benefits shall be as set forth in the SPP effective July 1, 2025, or including any subsequent amendments or modifications made to the SPP by the State and its employee representatives. The administration of the SPP, including beneficiary eligibility and changes, and other administration provisions shall be established by the SPP.

- a. The premium rates shall be as set by the SPP.
- b. The SPP contains a Health Enhancement Plan (HEP) component. All employees participating in the SPP are subject to the terms and provisions of the HEP. In the event SPP administrators impose the HEP non-participation or noncompliance \$100 per month premium cost increase or the \$350 per participant to a maximum of \$1400 family annual deductible, those sums shall be paid 100% in their entirety by the non-participating or non-compliant employee. No portion or percentage shall be paid by the Board. The \$100 per month premium cost increase shall be implemented through payroll deduction, and the \$350/\$1400 annual deductible shall be implemented through claims administration.
- c. In the event any of the following occur, the Board or the Union may reopen negotiations in accordance with Conn. Gen. Stat.  - i) If the SPP in its current form is no longer available; or if the benefit plan design of the SPP is modified as a result of a change in the State's collective bargaining agreement with SEBAC, if such modifications would substantially increase the cost of the medical insurance plan offered herein. Reopener negotiations shall be limited to health insurance plan design and funding, premium cost share and/or introduction of an additional optional health insurance plan; and/or
 - ii) If Conn. Gen. Stat. Section 3-123rrr et seq. is amended, or if there are any changes to the administration of the SPP, or if additional fees and/or charges for the SPP are imposed so as to affect the Board, any of which amendments, changes, fees or charges (individually or collectively) would substantially increase the cost of the medical insurance plan offered herein.
- d. In any negotiations triggered under subparagraph "c" above as well as negotiations for a successor to the CBA, the parties shall consider the High Deductible Health Plan with Health Savings Account set forth in the 2021-25 CBA to be the baseline for such negotiations, and the parties shall consider the following additional factors:
 - Trends in medical insurance plan design outside of the SPP;

• The costs of different plan designs, including a high deductible health plan structure.

Should such negotiations be submitted to arbitration for resolution, the arbitration panel shall consider the foregoing in applying the statutory criteria in making its ruling.
