

Mrs. Roy's CLASSROOM NEWSLETTER

Class news

We had another great week in our classroom! Our Lesson 2 Reading and Spelling tests have been graded and entered into PowerSchool, and I am so proud of the effort students put into showing what they've learned. Math tests are still being graded, but those scores will be ready and entered this week. Tonight, students brought home their Lesson 3 Home Connections, which will help them prepare for our next round of tests on Friday, September 5th—a little bit of study time each night will go a long way!

We are also excited to begin our weekly library visits every Tuesday morning. Please help your child remember to bring back their library books so they are ready to check out new ones.

Several parents have kindly asked if we need any supplies—thank you so much for your generosity! At the moment, our classroom is most in need of Band-Aids, which we go through quickly. Any donations would be greatly appreciated!

Thank you for your continued support—I am so proud of all the hard work our class is doing!

What we're learning

- **Math:** Fluently Add and Subtract Within 1,000
- **Reading:**
 - Phonics: soft c and g
 - Word Analysis: Shades of Meaning
