In an effort to provide the coaches and student-athletes with a championship environment, the following guidelines will apply:

1. A rolling time schedule will be used. Athletes must report and check in on time.
2. Each team is allowed 3 entries per individual event and 1 relay team. In the throws and horizontal jumps, the top nine will advance to finals for three additional attempts.
3. The top eight will advance to finals in track events with preliminaries (4x100, 100, 100/110h, 200).
4. Athletes must adhere to all AHSAA rules.
5. Make sure athletes **DO NOT** mark approaches by scratching marks into the track surface with spikes.
6. Javelin approach will be on grass. Athletes may wear cleats.
7. Each school will be assigned a duty. Please have 1 competent volunteer from each school report.
8. Please ensure that your athletes **DO NOT JUMP OVER FENCES** at the meet. That behavior may cause them to be disqualified or even removed from the premises. We are guests and we **WILL** adhere to facility rules.
9. Prelims in the throws events will be run 2-1 (2 throws then 1). Finals will be 1-1-1.
10. Minimums are firm. Athletes not reaching minimums will not get marks. No exceptions.
