Students without a special education program will be charged a tuition fee for preschool services \$100 per month due on the first day of each month. A late fee of \$5.00 will be charged after the 15th and non payment will result in your child being dropped from the program. Given the limited classroom space, if enrollment of children with disabilities increases to our maximum number, peer role model student enrollment may be discontinued at the discretion of BVEC. Under such circumstances we would endeavor to provide a 30-day notice.

If my child is accepted as a tuition role model student, I agree to the terms above.
