WCS D HOST DUAL ENROLLMENT ACADEMIC AWARDS CEREMONIES

Williamsburg County School District recently held its **First Dual Enrollment Academic Awards Ceremonies**, where seniors enrolled in dual enrollment academic courses were recognized for their efforts to go above and beyond in the pursuit of their educational goals. The respective awards ceremonies were held at **Kingtree High School (West Commons Area)** Wednesday, May 22, 2024, at 10:00 AM and **Hemingway High School (Hospitality Room)** Wednesday, May 22, 2024, at 1:00 PM

The ceremonies were small and intimate, and the programs lasted around thirty minutes. Students received special invitations to attend along with their parent(s). Special thanks to Mr. Fraiser and Mr. Frierson for supporting the program as the seniors are celebrated. Program participants were comprised of each school's principals, administrative teams from each school, school counselors from each school, and Superintendent Kelvin Wymbms. Mr. Neilson Hilton, WCS D Director of Special Programs oversees the Dual Enrollment Program for WCS D also participated in the ceremonies.

Dual enrollment, also referred to as dual credit, allows current high school students to take college-level classes. If the student passes the class, it will count for both high school and college credit. The types of dual credit classes offered vary by school district. Many high schools include introductory college coursework in subjects like Humanities, English, Math, Social Studies, and Science.

Most dual enrollment classes are taken at the student's high school, a community college, or online. Dual enrollment classes are available for students pursuing a Bachelor's degree, Associate's degree, or Career and Technical Education certificates. Enrolled students must pass a dual enrollment course with a C or better to earn college credit. The grade earned will be part of the student's college academic record.
