

## LHS Emergency Learning Plan

September 22, 2022

### Procedures

- Schoology will be the primary platform for students to access instructional materials, assignments, quizzes, or tests. Teachers will post instructions, daily assignments, and activities in Schoology for students to access.
- If your student experiences issues with their virtual learning, please contact their teacher.
- Teachers may not be able respond to emails/questions submitted in a timely manner due to being off campus for the funeral. Teachers will respond at their earliest opportunity.
- Students will be asked an attendance question in each class to take roll.
- Teachers will utilize independent student work that may include:
  - o SSR, reading assignments, research assignments
  - o Writing
  - o Independent work
  - o Group discussion through a discussion board platform
  - o Digital learning platforms such as StudySync, Vocabulary.com, etc.
- Students can begin accessing their course work at 8:00am and may work on assignments for classes throughout the day. (We will not follow a set bell schedule)
- Students that are not able to access online instruction will be given an Excused Absence and the work missed may be turned in when they return to school. The makeup policy will apply for all missed work allowing one day per absence to make up work.
- Inclusion teachers will be available the following day to assist students who may need additional help.
- Each LHS student has been issued a school-owned device to utilize during virtual learning.
