(The census list must be sworn to, to entitle the district to public money.)

Notice to Enumerators:

- The ages of children must be given as they are on May 31, 1922. If a child removed from the district during the twenty days preceding June 1, he must be enrolled in the district in which he is resident May 31, 1922. Failure to take a house to house canvass invalidates the census, and lays the district liable to lose its primary money for the year. Arrange names in alphabetical order.
- If child or children are reported with one not the parent: 1. Explain why child or children are not with parent. 2. Give residence of parent, if living. Unless this information is given on census list when received, name will be cancelled without further questioning.
- Children who are inmates of a charitable institution or of a home licensed by the State Board of Corrections and Charities, located in city, should be reported on the blank form (d) provided. If parents are living, give residence. Do not report these names on the regular census.
- Domestic, boyboys, and other persons if entitled to be included in the census, must be reported at the residence of their parents or legal guardian.
