Area of Focus 1: Professional Development

A. Provide a description of how the LEA will address Professional Development under this section and how these activities will be aligned with Florida's challenging academic standards.

Liberty County School District (LCSD) will utilize Professional Development under this section to address Tier 1 instruction that is aligned to standards (F.A.S.T., B.E.S.T., and NGSSS). To continue to support the transition to B.E.S.T. standards for ELA, and Math, , LCSD will send a group of leaders and content experts to available trainings within the state. This will allow for front-loading that will assist in bringing all staff on board with the new standards and progress monitoring. F.A.S.T. assessment for ELA and Math will be in place for the 2023-24 school year. In addition, Science in the state of Florida will continue to operate under NGSSS standards. As such, LCSD will continue professional development in these areas to fine-tune instruction for the coming school year. Embedded professional development from an outside contractor will be provided to Science teachers regarding lessons and planning around student data. LCSD currently employs iReady & Performance Matters for progress monitoring data for Science, ELA and Math, and will adjust based on F.A.S.T. progress monitoring platform. Teachers will receive professional development on how to use these supplemental instructional tools, that also monitor student progression, to drive instruction, meet needs, and improve student outcomes. Liberty County School District (LCSD) will provide refresher courses for both iReady reading and math. These products provide progress monitoring and research-based differentiated instruction.

No Title II, Part A funds will be used to address this Area of Focus. If this box is checked then the LEA does not need to complete the next question or the budget section for this Area of Focus.

B. Describe the funded activities that will be implemented to address Area of Focus 1.

Activity 1	The LEA will provide embedded professional learning opportunities as well as summer curriculum alignment time in the areas of Science, Social Studies, ELA, and Math, at the rate of \$125/day as well as travel and supplies (professional development supplies include chart paper, post-it notes, highlighters, pens, pencils, copy paper, as well as binders/folders).

Area of Focus 2: Recruitment and Retention

A. Provide a description of the local educational agency's systems of professional growth and improvement, such as induction for teachers, principals, or other school leaders and opportunities for building the capacity of teachers and opportunities to develop meaningful teacher leadership.

LCSD recognizes the need to support and grow new staff members, both instructional and administrative, as they are inducted into our organization. With this in mind, LCSD employs a staff member with Title II funds to lead our Beginning Teacher Program. This staff member supports beginning teachers that are new to education, or the district, in completing the program tasks/requirements. Additionally, the program lead connects these teachers with needed resources and provides extensive feedback through classroom observations. The district also will contract with FEDNET to provide training and support to administrative staff.

Additionally, to further support teachers that are new to the classroom, and/or district, LCSD will utilize Title II funds for mentors. These mentors will be paid to systematically support teachers that are within their first 3 years of the profession, or in their first year in LCSD. Through collaboration, feedback, and frequent check-ins the mentor will better support incoming teachers, and better equip them with the tools needed to be successful.

No Title II, Part A funds will be used to address this Area of Focus. If this box is checked then the LEA does not need to complete the next question or the budget section for this Area of Focus.

B. Describe the funded activities that will be implemented to address Area of Focus 2.

Activity 1	Mentor Teachers - One partially funded mentor teacher to work with teachers during the Beginning Teacher program, the mentor teacher is a retired administrator; this mentor work with new teachers to complete first year teacher requirements, and providing job embedded support through classroom observations, modeling, and feedback regarding instructional practice.
Activity 2	Teacher Certification Exam Reimbursement – Reimburse teachers for successful completion of subject area exams, leading to certification in assigned teacher areas and increasing qualifications for highly qualified teachers. Approximately 6 teachers x \$150.00 exam fee = \$900.00.
Activity 3	FEDNET contract, to provide training and support to administration and applicable travel
