## [Biden Administration Undermines Religious Liberty, Removing Important Guidance and Protections in Its Updated Memorandum on Religious Freedom in Schools](#)

Last week, the Biden Administration released its updated guidance on prayer and religious expression in public schools. In the past, the purpose of this guidance was to provide clarity on the exercise of religious freedoms in the school setting and to extend the greatest protection possible for these freedoms. I want you to know how much I have come to treasure Power 88 and 840

AM. I am a truck driver and drive at night from 2 AM until 11 AM. So I get such a blessing from your station as I listen to the FM until 6:30 AM. Then I turn to 840 and hear the many preachers bring God's Word so alive for me! The Spirit is working in me and I'm reading my Bible now. God bless you!
