Williamsburg County School District Receives a Clean Audit for the Fifth Consecutive Year

The Williamsburg County School District received an unmodified opinion on their 2021-22 financial audit. No deficiency in internal controls over financial reporting were disclosed by the audit of financial statements, and the audit disclosed no instances of noncompliance. The school district received the highest level of financial assurance, and did qualify as a low-risk auditee for the fiscal year ending June 30, 2022.

The accounting firm of Sheheen, Hancock, and Godwin, LLP of Camden, SC presented the audit report, which found no significant deficiencies in the district's financial operations. Mrs. Wendy R. Fulton, Chief Finance Officer, and her team, are to be commended for operating in integrity and transparency concerning the school district's finances.

Over the last five years, the school district was able to pass all internal and external audits and operates in the black. Once again, job well done!
