SENIORS

CONGRATULATIONS, SENIORS.

"As an athlete, there is nothing quite like the bus ride home after a win. You're exhausted and could probably use a shower, but bottom line, you're happy. Well, graduates, today is your bus ride home. Your victory lap. It is our chance to tell you that we know how hard you worked to bring home that diploma. I know you're missing what is supposed to be your medal ceremony, but that ceremony doesn't change a thing. You've already won."
-Simone Biles, Olympic Gymnast

"Congrats congrats congrats! And don't let no Coronavirus, no nothing, take this special moment from you." -Cardi B

"I know you may not feel like it, but you are, indeed, the chosen class for such a time as this, the class of 2020. You're also a united class, the pandemic class, that has the entire world striving to graduate with you. Even though there may not be pomp because of our circumstances, never has a graduating class been called to step into the future with more purpose, vision, passion, and energy and hope."
