

February 20, 2026

Dear St. Anne Families,

As we approach the final week of February, we are grateful for the many blessings within our school community and for the continued partnership we share with our families. It has been a productive and faith-filled month at St. Anne School! Your ongoing support, encouragement, and involvement help make our school a place where faith and knowledge flourish together.

As part of our Lenten observances, please note that Stations of the Cross will be held on Wednesday, February 25, at 10:00 a.m. Families are always welcome to join us for this prayerful reflection. Students will also attend Mass on Friday, February 27, as we continue to nurture our faith and strengthen our relationship with Christ through worship and community.

We also extend our very best wishes to our J.V. and Varsity girls and boys teams, along with their coaches, as they compete in the playoffs this weekend. We are incredibly proud of the dedication, teamwork, and school spirit shown by our St. Anne Saints. Go Saints!

We have used all three of our built-in snow days and still have three of the five Flexible Instruction Days (FIDs) provided by the state remaining. Any future weather-related closures will be observed as Flexible Instruction Days.

We are just two weeks away from the end of the second trimester, which concludes on Friday, March 6. We encourage parents to check their child's progress regularly in Option C. Teachers typically post graded assessments within a week, allowing families to stay informed, celebrate successes, and provide support where needed. It is a wonderful way to see the growth our students are making and the hard work they are putting into their learning each day. Due to the number of snow days this trimester, report cards will now be sent home on Monday, March 16.

Thank you for your continued support of our mission and for the many ways you contribute to the life of our school. May this Lenten season be a time of peace, reflection, and abundant blessings for you and your family.

Sincerely in Christ,

Dr. Fries

FAMILY IS THE BIGGEST BLESSING

The St. Anne community has lost a devoted mother and beautiful person inside and out after a courageous battle with cancer, She has left behind 2 young students.

St. Anne Community would like to set up a scholarship fund to ensure they can pursue their future education dreams without financial strain. Any little bit helps and is greatly appreciated.

St. Anne Church will have two collections on Sunday, March 1st. The second collection at Mass will go towards their scholarship fund. You may also donate using the QR Code below.
