2011 Leonine

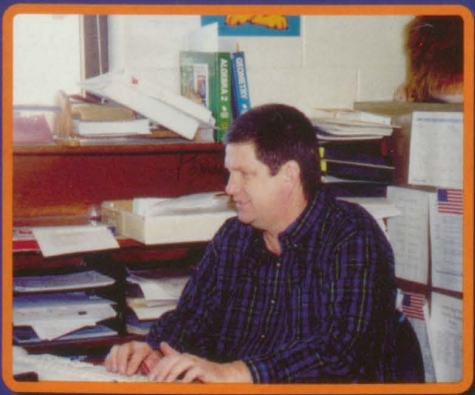

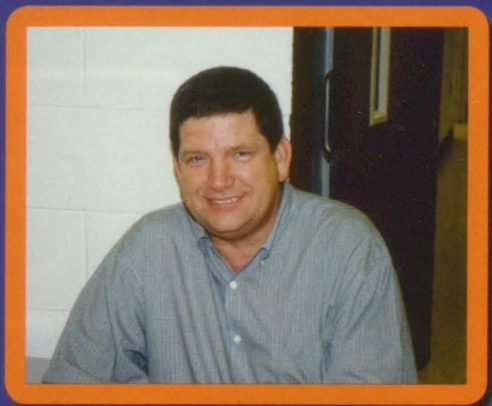

Mr. Charles Ponder is a dedicated math teacher who loves his job at Central High School. His dedication shows through his daily road trips with Mr. Nunn from Talladega, Alabama, to Central High School for the past ten years. As a math teacher, his door is always open for students to come right in before or after school for extra help. His advice not only helps students succeed with their academics but also with their lives. He loves spending time with his grandchildren, rooting for the Auburn Tigers, and helping Central students be the best they can be!

The class of 2011 is honored to dedicate this yearbook to...

As you graduate, one chapter in your life will close and another will begin. The future stands bright before you, so take hold of your dreams! There will be times ahead when you feel overwhelmed, but never give up! Nothing worth anything comes without hard work and sacrifice. The rewards are well worth it! When you were a little girl I held your hand, guiding and protecting you the best I could; it's time for me to let go now. There is some pain in that, but mostly there is a wonderful sense of pride and accomplishment as I look at the beautiful young woman that you have become. I love you "Punkin" and I pray that God will always guide and protect you as you begin your journey in this great big world! Congratulations!! I am SO proud of you!

EMILY KRISTIAN NEWBORN

Emily,

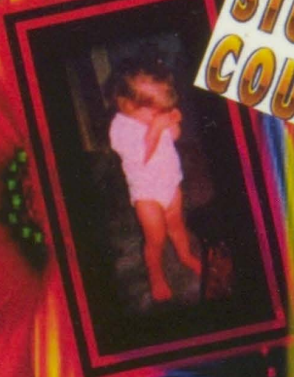

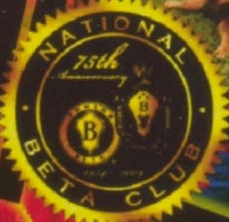

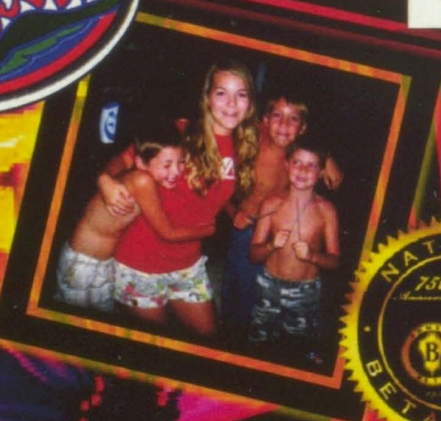

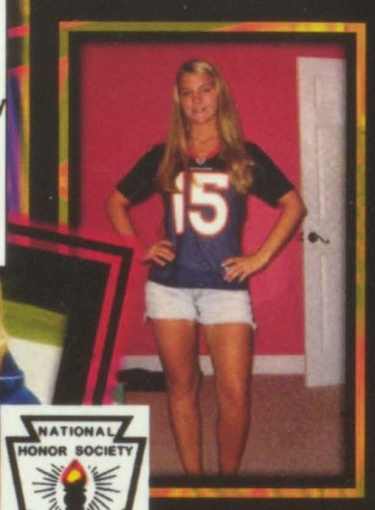

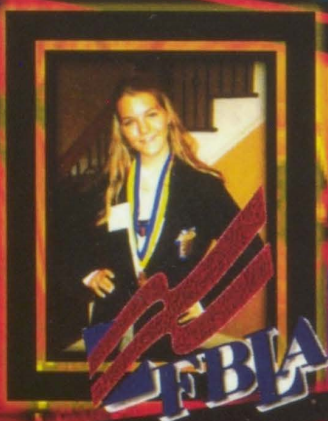

From the first moment I saw you, after your mother gave birth, I thought to myself, I am the most proud man in the world. I thought that I was the most blessed person in the world, but God saw fit to show me 17 years later that I was right. You have made me so proud through your love for others and many accomplishments. You are the sweetest daughter a father could ever be blessed with and I know that you will always make me proud. Just remember to look up to your heavenly Father for the right answers and you will continue on your life journey on the correct path to happiness and prosperity.

Love, Daddy

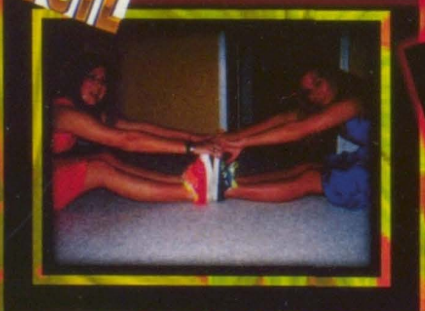

My Emily,

I remember the happiness you brought us the day you were born. You were the sweetest baby girl. I am grateful God chose me to be your mother. You make me proud in the young lady you have become. I will always stand beside you. Reach for the stars because on the day you were born, I knew you would achieve great things.
